Section I Introduction

I.A Community Context

Alameda County was established in 1853 and is located in northern California, across the Bay from San Francisco. Historically, the land on which the County is located has experienced many iterations: from Native American tribal lands to Spanish and then Mexican ranches; then from Californian farms, ranches, and orchards to the urban Bay Area cities (including Oakland, the County Seat) and suburbs that exist today.¹ Much of what is now an intensely urban region was initially developed as a trolley car suburb of San Francisco in the late 19th and early 20th centuries.

Unincorporated Alameda County includes six Census Designated Places: Ashland, Castro Valley, Cherryland, Fairview, San Lorenzo, and Sunol. Unincorporated Alameda County also includes communities located in the foothills of the Coastal Range and in the eastern part of the County. Unincorporated Alameda County prides itself on its growing, diverse population of almost 150,000 people and its wealth of natural resources.

I.B Housing Element Purpose

The State of California has stated that the availability of decent and suitable housing for every California family is “a priority of the highest order” (California Government Code §54220). This objective has become increasingly urgent in recent years as communities across the State, including Alameda County, struggle to meet the housing needs of all their residents. State Housing Element Law, established in 1969, recognizes the vital role local governments play in the supply and affordability of housing and requires all cities and counties in California to establish a long-range plan to meet their fair share of regional housing needs. Cities and counties are charged with planning for the welfare of their citizens, including ensuring that the existing and projected demands for housing are adequately met.

¹ For an in-depth review of the history of housing in Alameda County, see Section F.6 in Appendix F.

*High housing costs — and related housing instability issues — **increase health care costs** (for individuals and the State), **decrease educational outcomes** (affecting individuals, as well as the State’s productivity), **and make it difficult for California businesses to attract and retain employees.***

– State of California 2025 Statewide Housing Assessment

The Housing Element is the primary tool used by the State to ensure local governments are appropriately planning for and accommodating enough housing across all income levels. This Housing Element covers the planning period 2023-2031. The Housing Element is a mandatory part of a jurisdiction’s General Plan but differs from other General Plan elements in two key aspects. The Housing Element must be updated every eight years for jurisdictions within a metropolitan planning organization (MPO) that is on a four-year regional transportation plan (RTP) cycle, such as the Association of Bay Area Governments (ABAG). The Housing Element must also be reviewed and approved (i.e., certified) by the California Department of Housing and Community Development (HCD) to ensure compliance with statutory requirements. Certification also ensures that the County remains eligible for various State and federal funding sources.

In practical terms, the Housing Element provides the County with an opportunity to assess its housing needs and to develop policies and actions that effectively respond to those needs. Amongst other groups, the Housing Element affects teachers in our schools, employees in our local businesses, older residents on fixed incomes, parents and their adult children who want to remain in or return to Alameda County, and young persons wishing to live in the community. Ultimately, the supply and cost of housing affect the entire Bay Area economy and people’s quality of life in the region.

At the time of publication, the COVID-19 crisis has impacted the Bay Area in significant ways. The pandemic has made the issue of housing security even more acute as residents face job loss, housing cost pressures, and disparate health impacts from the pandemic. This Housing Element has had to respond to these conditions by transitioning the public outreach process to reflect the limitations brought on by COVID-19. These actions are detailed in this report.

I.C Organization of the Housing Element

Per California Government Code §65580-65589, a housing element must consist of the following components:

- **Existing Programs Review:** An evaluation of the results of the goals, policies, and programs adopted in the previous Housing Element that compares projected outcomes with actual achieved results.

- **Housing Needs Assessment:** An analysis of the existing and projected housing needs of the community. It provides a profile of socio-demographic information, such as population characteristics, household information, housing stock, tenure, and housing affordability. The assessment also considers local special housing needs, such as seniors, farmworkers, homeless, large households, and female-headed households.

- **Sites Inventory and Methodology:** An inventory listing adequate sites that are suitably zoned and available within the planning period to meet the County's fair share of regional housing needs across all income levels.

- **Housing Resources:** An identification of resources to support the development, preservation, and rehabilitation of housing.

- **Housing Constraints:** An assessment of impediments to housing production across all income levels covering both governmental (e.g., zoning, fees, etc.) and nongovernmental (e.g., market, environmental, etc.) constraints.

- **Affirmatively Furthering Fair Housing Assessment:** AB 686 requires cities and counties to take deliberate actions to foster inclusive communities, advance fair and equal housing choice, and address racial and economic disparities through local policies and programs. The goal of AB 686 is to achieve better economic and health outcomes for all Californians through equitable housing policies. The assessment of affirmatively furthering fair housing documents compliance with AB 686.

- **Goals, Policies, and Programs:** This Section provides a statement of the community’s goals, quantified objectives, and policies to maintain, preserve, improve, and develop housing, as well as a schedule of implementable actions to be taken during the planning period to achieve the goals, objectives, and policies. Quantified objectives for new construction, rehabilitation, and conserved units by income category (i.e., very low, low, moderate, and above moderate) are included to make sure that both the existing and the projected housing needs are met, consistent with the County’s share of the Regional Housing Needs Allocation (RHNA).

Section I provides an overview to the Housing Element and relevant regulation. Section II provides a summary of the projected housing need. Section III summarizes the adequacy of housing sites and housing resources with reference to relevant appendices. Section IV contains goals, policies, and actions related to housing in Alameda County. The comprehensive research and analysis supporting the development of Section IV, are compiled in appendices to this Housing Element. These appendices contain the full set of information used to inform the County’s goals, policies, and programs:

- Appendix A: Housing Needs Assessment
- Appendix B: Sites Inventory and Methodology
- Appendix C: Housing Constraints
- Appendix D: Existing Programs Review
- Appendix E: Public Participation Summaries
- Appendix F: Affirmatively Furthering Fair Housing Assessment
- Appendix G: Housing Resources

I.D Data Sources and Methods

This Housing Element was updated in accordance with California Department of Housing and Community Development (HCD) guidelines for the 6th Housing Element Cycle, incorporating additional considerations required under new State housing-related legislation. Specific documents are referenced throughout the Housing Element, including but not limited to the Eden Area General Plan, Castro Valley General Plan, and East County Area Plan and Alameda County Municipal Code. The analyses and findings in this document relied on data compiled from various sources, including:

- US Census Bureau (American Community Survey, Longitudinal Employer-Household Dynamics)

- California Department of Housing and Community Development (HCD)
- California Department of Finance (DOF)
- US Department of Housing and Urban Development (HUD)
- Consumer Financial Protection Bureau (CFPB)
- Association of Bay Area Governments (ABAG) pre-certified data

This document was also informed by information provided by residents, housing developers and service providers, local institutions, County staff, and County officials.

I.E Summary of Public Participation

Public participation is crucial in shaping Alameda County’s housing strategy. Understanding the needs of the community enables the development of housing strategies that are most appropriate and effective. Public outreach also allows the County to identify concerns unique to certain interest groups and service providers that may not have been initially apparent. For detailed public outreach summaries, please see Appendix E.

Website

The County’s website hosts a dedicated Housing Element Update webpage (<https://www.acgov.org/cda/planning/housing-element/housing-element.htm>) to provide information on the Housing Element update process and timeline, resources (e.g., reference material, draft documents, etc.), a discussion of the sites inventory, meeting notices and materials, and County contact information. Any person can sign up to receive email notifications about upcoming meetings and availability of information.

Public Outreach and Events, including Affirmatively Furthering Fair Housing (AFFH)-Targeted Outreach

Ashland Cherryland Healthy Community Collaborative

County staff presented information regarding the Housing Element at the November and December 2022 meetings of the Ashland Cherryland Healthy Community Collaborative (ACHCC) as a means of (1) educating attendees about why the County was going through the Housing Element process, (2) inviting attendees to further discuss their organizations’ needs in relation to housing, and (3) advertising open surveys.

Interviews

County staff reached out to the following organizations to discuss the Housing Element and met with all except for the Eden Community Land Trust and Community Resources for Independent Living:

- Eden Community Land Trust

- East Bay Housing Organizations (EBHO)
- The Supportive Housing Community Land Alliance (SHCLA)
- REACH Ashland Youth Center
- Resources for Community Development (RCD)
- My Eden Voice (MEV)
- DSAL
- Community Resources for Independent Living
- Alameda County Probation

Public Workshops

On February 9, 2023, the County hosted a workshop for property owners of sites in the sites inventory to explain what the Housing Element is and why their properties were included in the inventory. Workshop attendees were also encouraged to participate in the Housing Element survey, share their housing story, and to sign up for emails on the project website.

On August 21, 2023, Planning staff held a workshop at the San Lorenzo Library for residents. Advocates for lower income housing and tenants rights were particularly vocal at this meeting, while residents who generally oppose development were absent. Comments from this meeting are included in Appendix E.

On March 21, 2024 a Special Joint Meeting of the Municipal Advisory Councils (MAC) Workshop hosted by the Planning Department staff. At a special joint meeting of the Castro Valley, Eden, and Fairview Municipal Advisory Councils, staff presented the proposed changes to the County's Draft Housing Element to respond to comments received from the State Housing & Community Development Department, Project Schedule, and Sites Inventory Update. The meeting was held in-person with the option to participate virtually on Zoom or by phone. The meeting was open to the public who had the opportunity to provide public comments which are incorporated in the Summary of Public Comments Section.

Online Office Hours

From November 2022 to January 2023, County staff held online office hours to discuss Housing Element questions with a variety of groups. While the office hours were not well attended, staff offered another opportunity to anyone interested in learning more about the Housing Element and answer any questions raised by community members.

Online Survey and Housing Story

The County provided an online survey to residents that included 12 questions and was available in English and Spanish. In addition, to add personal context to the history of fair housing in Alameda County (described in more detail in Appendix F) the County solicited resident feedback by asking residents to share their written housing stories.

Municipal Advisory Council Meetings

County staff presented to the Fairview, Eden Area, and Castro Valley Municipal Advisory Councils (MACs), the Sunol Citizens’ Advisory Council (Sunol CAC), and the Agricultural Advisory Committee (AAC) to both inform members and to solicit feedback from members and the public on the Housing Element. Initial presentations were made by staff at meetings held from July to October 2022. Additional meetings for each round of Housing Element drafts also took place as follows in Table I-1 (below).

Table I-1: MAC and Committee presentations throughout Housing Element Update Process

<i>Meeting Body</i>	Pre-1st Draft	1st Draft Comment Period	Pre-2nd Draft	3rd Draft Comment Period	Final Draft and Adoption Process
Eden Area MAC	February 14, 2023	August 8, 2023		September 10, 2024	November 12, 2024
Fairview MAC	February 7, 2023	August 10, 2023		September 3, 2024	November 7, 2024
Castro Valley MAC	February 27, 2023	August 14, 2023		August 26, 2024	November 12, 2024
Agricultural Advisory Committee	May 23, 2023	August 22, 2023			
Joint MAC (Castro Valley, Eden, and Fairview) Meeting/Workshop			March 21, 2024		

Attendees were encouraged to participate in the Housing Element survey and share their housing story during the pre-1st draft comment period; attendees were encouraged to leave comments and sign up for emails on the project website at all meetings.

Planning Commission

County staff presented updates on the status of the Housing Element to the Planning Commission on December 5, 2022; February 21, 2023; September 5, 2023; June 3, 2024; August 19, 2024; September 16, 2024; and November 18, 2024. The intent of the meetings was to provide opportunities for Planning Commission and public input and discussion for incorporation into the draft Housing Element. Attendees were also encouraged to participate in the Housing Element survey and share their housing story during the pre-1st draft comment period; attendees were encouraged to leave comments and sign up for emails on the project website at all meetings.

Unincorporated Services Committee of the Board of Supervisors

County staff presented updates on the status of the Housing Element to the Unincorporated Services Committee on July 27, 2022, February 22, 2023, and July 26, 2023. The intent of the meetings was to provide opportunities for Unincorporated Services Committee and public input and discussion for incorporation into the draft Housing Element. Attendees were also encouraged

to participate in the Housing Element survey, share their housing story, sign up for emails on the project website, and provide comments on presented drafts.

Board of Supervisors

County staff presented to the Board of Supervisors on the Housing Element Public Review Draft on September 21, 2023, and again on June 18, 2024, with regards to responding to a Planning Commission letter. Staff presented an overview of the draft and summarized public comments received. The intent of the initial meeting was to request authorization to submit the first draft of the Housing Element to the state. The Housing Element and associated documents were successfully brought to the Board of Supervisors for adoption on December 12th, 2024. The necessary zoning ordinance successfully had its first reading on December 12th, 2024, and its second reading on December 17th, 2024.

Summary of Public Comments

A summary of key themes from public comments and staff responses is presented below. Please see Appendix E for comprehensive summaries regarding the above community engagement events.

- Concern over lack of Tenant Protections. As described in Appendix F, there has been more than 4 years of discussion and consideration of potential tenant protection policies for the unincorporated areas. At the time of writing (September 2024) there has been ongoing mediation between the Board of Supervisors, property owners, and pro-tenant protection advocates regarding the adoption of protections. Staff are unable to commit to additional policies or additional funding beyond what is supported by the Board of Supervisors (described in program 6.O) and look forward to implementing adopted ordinances.
- Emphasis on Tenant Protections. Throughout each comment period, there have been strong calls for robust tenant protections, including a comprehensive Just Cause eviction ordinance covering all renters, and measures to protect residents of mobile home parks from displacement. Some participants have also advocated for exploring alternative affordability solutions, such as direct financial assistance and tenant purchase programs. Staff are committed to addressing this issue and this document outlines existing and proposed programs that offers some support to address the community's concerns. Refer to Programs 2.F, 2K, 5E, 6.G, 6.F, 6.I, and 6.O.
- (From drafts 1 and 2) Concern over density in Ashland. The sites inventory currently estimates 1,489 units in Ashland, 1,200 of which are associated with rezonings. Estimated unit densities proposed in Ashland have increased based on the availability of housing opportunities in this area. Throughout each draft of the Housing Element Update process, staff have worked to limit the number of sites on Mission Boulevard/East 14th Street in response to concerns about added density on the corridor.

- Concern around development throughout Castro Valley. The density has increased in Castro Valley based on the availability of housing opportunities and to meet State requirements such as AB 2923.
- Concern over impacts of traffic. Particularly in discussions around the 2nd and 3rd draft, residents have expressed concerns about future traffic levels in Fairview and Castro Valley. Planning staff look forward to working with the County Public Works Agency on a project-by-project basis to consider additional infrastructural needs to accommodate new housing development.
- Concern over impacts on utilities. Planning staff looks forward to working with the County Public Works Agency and other applicable County agencies on a project-by-project basis to confirm that new housing developments have adequate facilities. All relevant utility providers have been provided opportunity to comment on each draft of the Housing Element and the draft Mitigated Negative Declaration (environmental analysis).
- Concern over impacts on schools. The Housing Element update process coincided with recent school closures, leaving many residents concerned about school capacity. All school districts have received individual outreach regarding the sites inventory in their jurisdiction. Castro Valley Unified School District has expressed concern over their ability to meet future schooling needs and in their May 2024 comment noted that there needs to be new schools opened to accommodate projected enrollment over the planning period. In their September 2024 comments, school district staff reiterated that “new students generated by increased development, while welcomed enthusiastically, will accelerate the need to provide additional school facilities for all CVUSD students.” The success of the Castro Valley Unified School District is a significant part of the opportunities available only to Castro Valley residents.
- Concern over the lack of awareness and inadequate public notification regarding the Housing Element update process during Draft 2. Staff acknowledges and understands the community’s frustration. Moving forward, staff are committed to improving engagement efforts in alignment with goals established in the draft Environmental Justice Element (adoption anticipated Summer 2024). In alignment with this commitment, for the 3rd Housing Element Draft the minimum legal comment period of a week was extended to 39 days and included presenting at all MACs and the Planning Commission as well as regular posts on the Nextdoor social media site.
- Concerns raised against the inclusion of certain sites in the Housing Element inventory. Participants advocated for the removal of specific sites from consideration and suggested exploring alternative locations that are more suitable for higher-density housing. Staff has updated the Sites Inventory to address comments received by the public, where feasible.
- Emphasis on infrastructure and environmental impact with respect to the proposed higher densities. Staff has conducted a high level analysis based on State HCD’s guidance, data

available, and public input and have made the recommendations in the Sites Inventory to meet Unincorporated Alameda County's RHNA numbers.

- Support for Affordable Housing. Throughout each comment period, there have been comments from members of the community who expressed their support to increase affordable housing in Unincorporated Alameda County. Staff appreciate and acknowledge these comments.

Integration of Comments into the Housing Element

The comments provided have been incorporated and addressed in the updated Housing Element, specifically through the Housing Needs Assessment (Appendix A), the Sites Inventory and Methodology (Appendix B), Affirmatively Furthering Fair Housing (Appendix F), and through programs. Additionally, the County expanded outreach efforts to directly target underrepresented populations and populations disproportionately impacted by fair housing issues based on comments received early in the process.

Comments during the second Housing Element review period have resulted in the addition of a rezoning map to better display proposed changes, additional examples of retail-to-residential use conversions (both in Appendix B), additional analysis of proposed units in high and very high fire hazard zones (in Appendix F), and discussion of the likely need for additional schools and school resources induced by Sites Inventory-related development (in Appendices E and F).

Comments during the third Housing Element review period resulted in the removal of some sites from the rezoning list due to greater concern over flooding and fire, particularly in the Very High Fire Severity zones of northern Castro Valley.

Various programs that address comments include the following:

- More protections are needed for tenants, including Mobile Home residents (Program 2.K: Preserve At-Risk Housing, Program 2.L: Protect Existing Affordable Housing Units, Program 5.D: Rental Inspection Pilot, Program 5.E: Condominium Conversion, Program 6.B: Fair Housing Referrals (ECHO Housing), Program 6.C: Rent Review Program, Program 6.F: Displacement Protection, Program 6.G: Fair Housing Services, Program 6.I: Mobile Home Rent Stabilization Ordinance, Program 6.N: Mobile Home Overlay, Program 6.O: Renter Protections)
- Farmworker housing should be encouraged in rural areas (Program 4.D: Farmworker/Employee Housing, Program 4.E: Farmworker Housing Analysis).
- More ADUs should be encouraged to increase housing supply (Program 1.K: ADU Ordinance Compliance, Program 2.C: ADU One-Stop-Shop, Program 2.J: ADUs with Multi-Family Developments).
- The County should adopt an inclusionary zoning ordinance (Program 6.J: Inclusionary Housing).
- The long development application process is a constraint to housing development (Program 3.B: Planning Commission Streamlining Subcommittee, Program 3.D; SB 35)

Processing and Permit Streamlining, Program 3.E: Objective Design Standards, Program 3.J: Development Services Process Review Implementation, Program 7.B: Environmental Review Streamlining).

- More low-income housing is needed to counteract the historic impacts of redlining (Program 1.A: Rezone Sites to Meet RHNA, Program 1.C: Facilitate Housing at Bay Fair BART Sites, Program 1.D: Facilitating Sheriff's Substation Development, Program 1.J: Rezone 5th Cycle Lower-Income Housing Sites, Program 2.F: Affordable Housing Trust Fund "Boomerang" Program, Program 2.I: Community Development Block Grant (CDBG) and HOME Funding, Program 6.H: Alameda County Housing Portal, Program 6.L: Innovative and Unconventional Housing Types Ordinance, Program 6.M: Foreclosure Prevention).
- Infrastructure investment should correspond with additional housing (Program 7.D: Environmental Justice Element Implementation, Program 7.E: Park Permitting, Program 7.F: Place Based Improvements: Capital Improvement Plan)

I.F Consistency with Other General Plan Elements

The Housing Element is one of the elements of the County's General Plan, which in fact comprises three long-range planning documents that provide guidance for future development in Alameda County: the Eden Area General Plan, Castro Valley General Plan, and East County Area Plan. For the General Plan to provide effective guidance on land use issues, the goals, policies, and programs of each element must be internally consistent with other elements. This Housing Element builds upon the existing General Plan and is consistent with its goals and policies. Various Housing Element programs require Zoning Code amendments, and some will require amendments to the General Plan for consistency. As those Housing Element programs are implemented, the General Plan will be amended concurrently to ensure consistency across planning documents. In the event an element of the General Plan is amended, the County will consider the impacts of the amendment on the other elements to maintain consistency across all documents.

I.G Other Statutory Requirements

Water and Sewer Priority

Government Code §65589.7 requires each public agency or private entity providing water or sewer services to grant a priority for the provision of these services to proposed developments that include lower income housing units. In Alameda County, water service is provided by East Bay Municipal Utilities District and Zone 7 Water Agency, while sewer services are provided by Castro Valley Sanitary District, the Cities of San Leandro and Hayward, and the Union and Oro Loma Sanitary Districts. A discussion of water and sewer infrastructure and availability is included in Appendix C (Housing Constraints), Section C.4.2. The County has not denied, applied conditions, or reduced the amount of sewer service for a development that includes housing

affordable to lower-income households consistent with State law. As part of this Housing Element, the County will adopt written policies and procedures that grant a priority for sewer hook-ups and service to developments that help meet Alameda County's share of the regional need for lower-income housing (see Program 2.J).

Government Code §65589.7 also requires adopted housing elements to be immediately delivered to all public agencies or private entities that provide water or sewer services for municipal and industrial uses, including residential. The County will provide the adopted Housing Element to the East Bay Municipal Utilities District (EBMUD), Zone 7 Water Agency, Castro Valley Sanitary District, the Cities of San Leandro and Hayward, and the Union and Oro Loma Sanitary Districts.

Section II Projected Housing Need

II.A Introduction/Overview of ABAG Methodology

State Housing Element law (Government Code §65580 et. seq.) requires regional councils of governments to identify for each member jurisdiction its "fair share allocation" of the Regional Housing Needs Assessment provided by the California Department of Housing and Community Development (HCD). In turn, each city and county must demonstrate the capacity to accommodate their local share of regional housing needs in the community's housing element. Each jurisdiction's responsibility for meeting the overall regional housing need is established as a Regional Housing Needs Allocation (RHNA).

The Association of Bay Area Governments (ABAG), the council of governments with jurisdiction over Alameda County's RHNA, adopted its final 6th Cycle RHNA allocation methodology in December 2021. ABAG considered several factors in preparing the methodology, which weighed both projected and existing need. Projected need was informed by the target vacancy rate, the rate of overcrowding, and the share of cost-burdened households, future vacancy need, and replacement need, while existing need considered transit accessibility and job accessibility. The distribution of the RHNA across the four income categories factored in a social equity adjustment, which allocated a lower proportion of lower-income RHNA to jurisdictions that already had a high concentration of such households in comparison to the County, as well as the goal to Affirmatively Further Fair Housing (AFFH), which adjusted the distribution of RHNA in jurisdictions considered either very low or very high resource areas. Since Unincorporated Alameda County has a relatively more racially diverse population and lower relative household incomes, the equity adjustment reduced Unincorporated Alameda County's RHNA by 47 units (30 very low-income units and 17 low-income units). Please see Table II-2: 6th Cycle RHNA for Unincorporated Alameda County's final RHNA numbers by income category.

II.B Alameda County Income Limits

The projected housing needs are broken down by income category based on definitions in the California Health and Safety Code (§50079.5). HCD calculates “acutely low”, “extremely low”, “very low”, “low”, “median”, “moderate”, and “above moderate” income limits, and publishes these limits at the county level. Alameda County’s 2021 income limits for households of one to four persons are shown in Table II-1. See Appendix A, Table A-7, for a table listing income limits for households of up to eight persons.

Table II-1: Alameda County 2021 Income Limits

Number of Persons in Household	1	2	3	4
Extremely Low (0-30% of AMI)	\$28,800	\$32,900	\$37,000	\$41,100
Very Low (30-50% of AMI)	\$47,950	\$54,800	\$61,650	\$68,500
Low (50-80% of AMI)	\$76,750	\$87,700	\$98,650	\$109,600
Median (80-120% of AMI)	\$87,900	\$100,500	\$113,050	\$125,600
Moderate (120% of AMI)	\$105,500	\$120,550	\$135,650	\$150,700

Source: Department of Housing and Community Development, 2021

II.C Regional Housing Needs Allocation

The RHNA for Unincorporated Alameda County is shown in Table II-2. The County has a total allocation of 4,711 units for the 2023 to 2031 planning period.

Table II-2: 6th Cycle RHNA

Income	Unincorporate Alameda County		Alameda County		ABAG	
	Number of Units	Percent	Number of Units	Percent	Number of Units	Percent
Total	4,711	100%	88,997	100%	441,176	100%
Extremely Low and Very Low¹	1,251	27%	23,606	27%	114,442	26%
Low	721	15%	13,591	15%	65,892	15%
Moderate	763	16%	14,438	16%	72,712	17%
Above Moderate	1,976	42%	37,362	42%	188,130	42%

¹ “Extremely Low” included in “Very Low” Category, assumed to be 50% of the Very Low allocation.

Source: ABAG, LWC

The County is not responsible for the actual construction of these units (i.e., the County is not a housing developer). The County is, however, responsible for creating a regulatory environment in which developers are allowed and encouraged to build housing, including both market rate units and below market rate units. The County creates this regulatory environment through General

Plan policies, zoning standards, County programs, and/or economic incentives to encourage the construction of various types of units. The programs in Section IV (Housing Plan) are intended to encourage the production of housing in the County.

Section III Housing Resources

III.A Introduction

There are a variety of resources available to support the County in the implementation of its housing strategy, landowners and developers seeking to provide affordable housing, and residents in need of housing assistance in Alameda County. This Section provides a summary of land resources available to accommodate future housing in the County. The detailed housing capacity analysis and methodology is contained in Appendix B. This Section also includes a list of local, regional, State, and federal programs that provide financial and related assistance to support the County in meeting its housing goals.

III.B Land Resources

A critical part of the Housing Element is the sites inventory, which identifies a list of sites that are suitable for future residential development. State law mandates that each jurisdiction ensure availability of an adequate number of sites that have appropriate zoning, development standards, and infrastructure capacity to meet its fair share of regional housing need (i.e., RHNA) at all income levels. The inventory is a tool that assists in determining if the jurisdiction has enough land to meet its RHNA given its current regulatory framework.

Identification of Sites Suitable for Housing

The sites identified in the site inventory (Appendix B) are comprised of parcels located in various areas and zones within Alameda County.

Each site has undergone an assessment to determine development potential and residential unit capacity given existing zoning standards, potential capacity under new zoning regulations, and development trends. For detailed information, please see Appendix B.

Summary of Adequate Sites

Tables III-1 and III-2 summarize the County’s methods for satisfying its RHNA. Based on accessory dwelling unit (ADU) projections, approved/entitled projects, and available land (i.e., 6th Cycle sites), the County does not have enough capacity in any income categories to meet its RHNA obligations. Therefore, the County proposes Program 1.A to rezone sufficient sites to accommodate its RHNA at all income levels. The 127 parcels proposed for rezonings are highlighted in Figure III-1 below.

Assumptions and methodology for this determination and a detailed list of sites are included in Appendix B.

Table III-1: Residential Development Potential and RHNA – WITHOUT REZONING

	Extremely Low	Very Low	Low	Moderate	Above Moderate	Total
RHNA	See Very Low	1,251	721	763	1976	4,711
ADUs	See Very Low	129	128	128	42	427

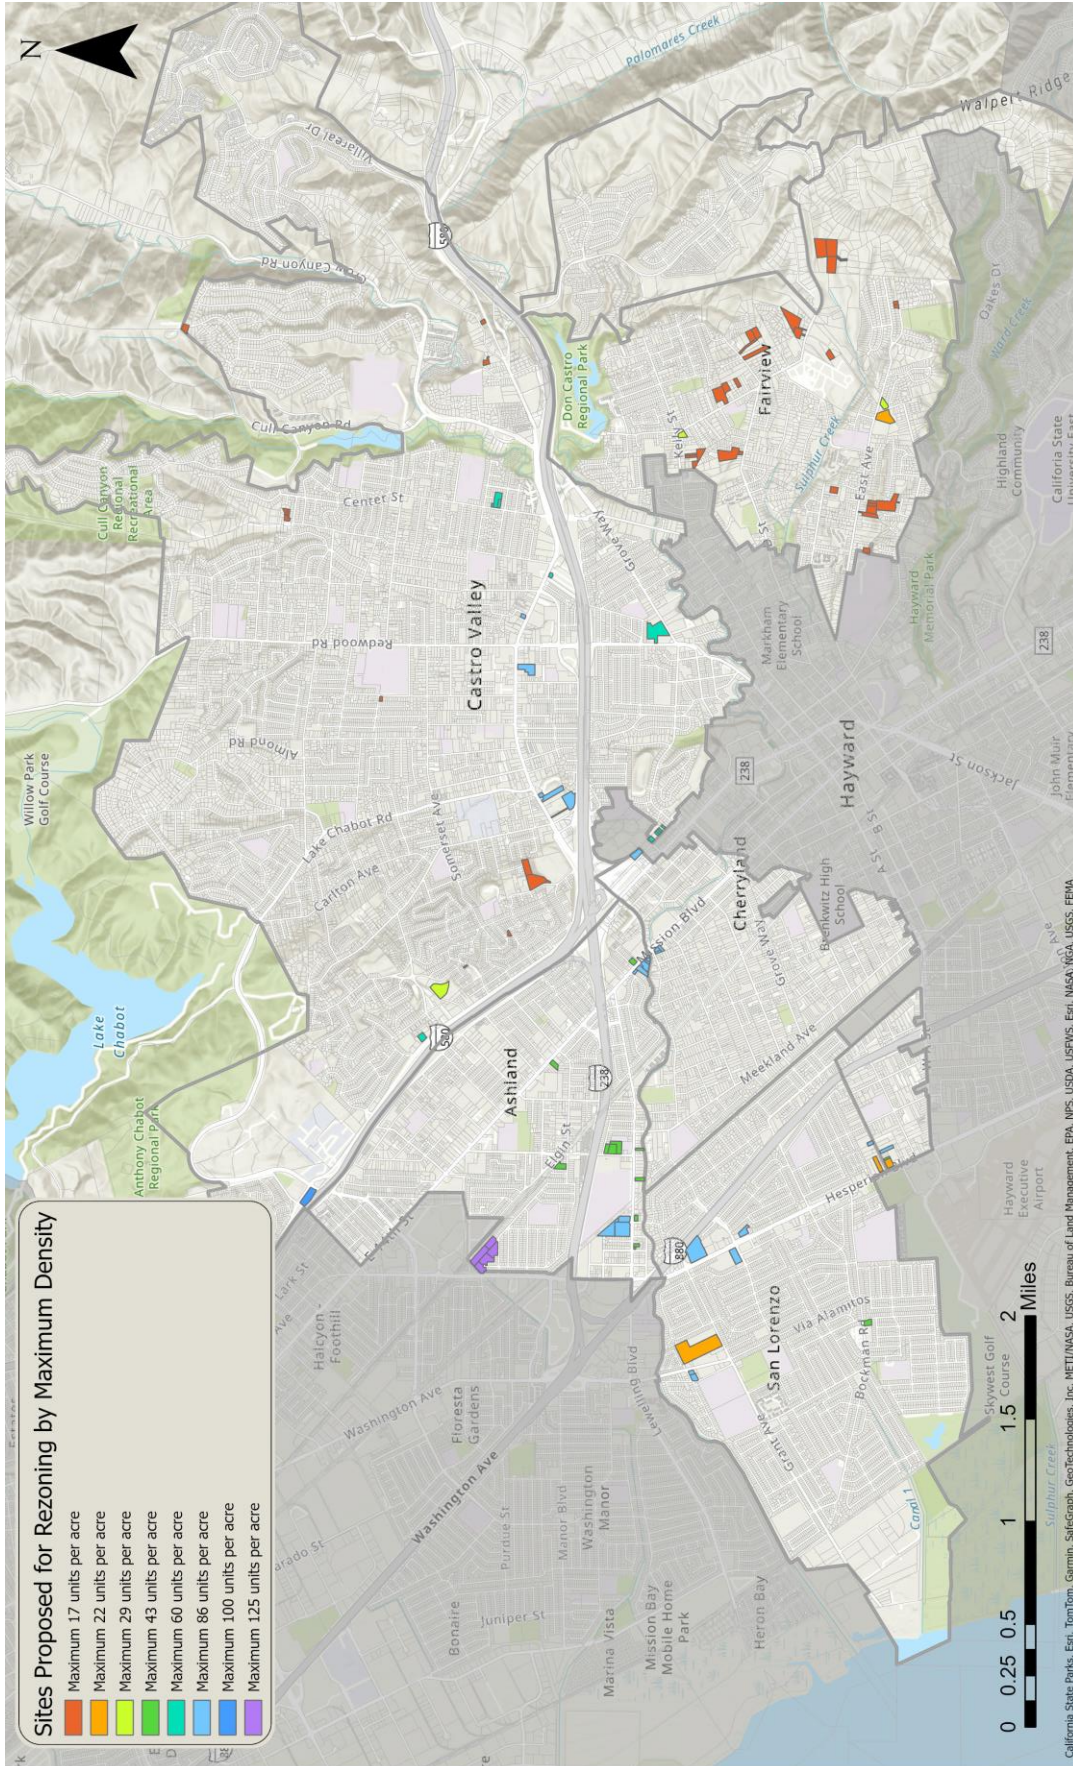

Figure III-1. Sites Proposed for Rezoning by Maximum Densities, November 2024

III.C Analyzing Sites Through a Fair Housing Lens

Throughout California, amenities and access to opportunities are not always readily accessible or attainable due to different social, economic, or cultural barriers in society. Because of this imbalance, it is important to ensure that sites for housing, particularly lower-income units, are distributed to improve access to amenities and opportunities, rather than concentrated in areas of high segregation and poverty.

Alameda County completed an analysis to affirmatively further fair housing (AFFH) in Appendix F. Analyses located in Appendix F include an analysis of unincorporated communities' demographics to that of the wider community, an analysis of the sites inventory parcels within the unincorporated areas in comparison to different demographic data, and an analysis of the history of housing within unincorporated Alameda County. Household median incomes, CalEnviroScreen percentiles, transit access, racial demographics, and more are considered. Based on this analysis, in F.7 are listed a series of contributing factors inhibiting fair housing and meaningful actions corresponding with policies and programs listed below.

III.D Financial and Administrative Resources

Appendix G provides a list of financial, administrative, and other resources at the local, regional, state, and federal levels to help the County address its housing needs. Availability of these resources is dependent on governmental priorities, legislation, and continued funding, which may be subject to change at any time.

III.E Opportunities for Energy Conservation

The cost of energy can greatly impact housing affordability, as energy costs can constitute a significant portion of total housing costs. High energy costs also particularly impact low-income households that are less likely to have the ability to cover increased expenses. Please refer to Appendix G to see a list energy conservation programs available at the local, regional, State, and federal levels.

Section IV Housing Plan

IV.A Goals, Policies, and Programs

The Housing Plan of the Housing Element serves as the County’s strategy for addressing its housing needs. This Section describes the housing goals, policies, and programs of the Housing Element for Alameda County.

Goals are aspirational purpose statements that indicate the County’s direction and intent on housing-related needs. Each goal encompasses several policies, which are statements that describe the County’s preferred course of action among a range of other options. Each goal also includes programs, which provide actionable steps to implement the County’s goals and to further the County’s progress towards meeting its housing allocation. Some programs contain quantified objectives, which represent measurable outcomes that can be used to benchmark the success of each program.

This Housing Element contains actions intended to significantly increase the amount and types of housing for all income levels in Alameda County. These efforts are expected to be initiated throughout the planning period, which is from January 31, 2023, to January 31, 2031. In accordance with State law, the County will also evaluate the progress and effectiveness of Housing Element programs on an annual basis. Together, these actions reflect the County’s commitment to increasing affordable housing and improving existing housing conditions.

The following list of goals, policies, and programs includes a combination of strategies, including a continuation of existing successful policies and programs as well as new policies and programs to tackle emerging opportunities and constraints, address changes in State law, and provide innovative approaches to accommodate the larger RHNA.

Goal 1: Accommodate a range of housing for persons of all income levels in accordance with the County’s Regional Housing Needs Allocation (RHNA).

Policies

Policy 1.1: Utilize Public Land for Affordable Housing to Provide a Range of Housing

Consider all County-owned and other public lands for their suitability as housing sites and adopt and support land use plans, disposition agreements and development programs to provide a range of housing on appropriate sites.

Policy 1.2: Maintain Sites Inventory

Maintain an inventory of land that is appropriately zoned for a mix of housing types, including multi-family and single-family, rental and sale housing which is consistent with the demand for these types of units and the County’s RHNA.

Policy 1.3: Annual Progress Reports

Provide timely reports on the status of housing development in the Unincorporated County to the Planning Commission, Board of Supervisors and State HCD.

Policy 1.4: Revise Zoning to Increase Densities

Review underutilized potential residential development sites and revise zoning, as appropriate, to increase densities while ensuring compatibility with surrounding uses.

Policy 1.5: Accessory Dwelling Units

Support the development of Accessory Dwelling Units.

Policy 1.6: Support Mixed-Use Residential and Commercial Development

Review and, as appropriate, revise or create zoning districts and regulations, and site development and planned development district standards and guidelines to support appropriate mixed-use residential/commercial development.

Policy 1.7: High-Density Residential Development in Transit Corridors

Identify areas adjacent to or in close proximity to transit and transportation corridors that are appropriate for high-density residential development. Re-zone as appropriate to increase densities.

Policy 1.8: Support Research for Data Collection

Encourage and support research to enable more rapid data collection and analysis in the field of housing.

Programs

Program 1.A: Rezone Sites to Meet RHNA

Rezone sites to increase maximum allowable densities to accommodate the County’s Regional Housing Needs Assessment (RHNA) of 4,711 units, as specified in Appendix B. Consistent with SB 166 (No Net Loss) (Government Code §65863), monitor housing sites to ensure adequate sites to accommodate the remaining unmet RHNA by each income category are maintained at all times throughout the planning period (January 31, 2023 – January 31, 2031). The County commits to appropriate development standards to encourage achieving maximum densities. This will be done through adoption of the Housing Element Overlay Combining District (see program 3.H)

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Rezone sites before or during the adoption of the Housing Element Draft, after receiving certification by the state. Maintain adequate sites throughout the planning period (January 2023 - January 2031)

Quantified Objective: Rezone sites to accommodate RHNA of 4,711 units as described in Appendix B.

Program 1.B: San Lorenzo Village Specific Plan Priority Development Area Grant (SLVCSP)

Apply for Priority Development Area (PDA) Grants to update the San Lorenzo Village Center Specific Plan to (1) allow for increased density and the number of housing units in the Specific Plan area, and (2) allow mixed-use to encourage commercial and residential uses in downtown San Lorenzo. As part of this program, the County will remove the cap on residential development within the SLVCSP to facilitate the construction of housing.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: Metropolitan Transportation Commission PDA Grant

Time Frame: July 2026

Quantified Objective: Administer grant (received Spring 2023)

Geographic Targeting: San Lorenzo Village Specific Plan

Program 1.C: Facilitate Housing at Bay Fair BART Site

Adopt zoning standards consistent with the Bay Area Rapid Transit (BART) Transit Oriented Development (TOD) Place Type: Neighborhood/Town Center for AB 2923-eligible parcels within a half-mile of the Bay Fair and Castro Valley BART stations. This includes requiring a minimum of 75 dwelling units per acre, maximum of 125 dwelling units per acre, minimum five stories, minimum floor-area-ratio (FAR) of 3.0, no minimum vehicle parking, maximum 1.0 parking spaces per residential unit or lower, maximum 2.5 parking spaces per 1,000 square feet of office space or lower, allowing shared parking (neither prohibited or required), and minimum one secure bike parking space per residential unit or higher. The applicability of AB 2097 at sites adjacent to BART stations may result in the production of less parking than the standards specified in AB 2923. The County will encourage applicants to use these incentives to increase housing affordability at these sites. The County commits to appropriate development standards, based on site conditions, to encourage achieving or exceeding the densities proposed in this program. There are no known impediments to development.

In accordance with AB 2923 a streamlining process for development projects that meet the criteria set forth in SB 35 for compliance will also be developed and outlined under Program 3.D.

The 2024 BART Transit-Oriented Development Program Work Plan describes Bay Fair Station as a near term development project to advance to RFP/RFQ before 2028. Alameda County staff began coordinating with BART and City of San Leandro staff in 2023 and have built a robust

relationship through inter-agency coordination to finalize scopes of work from various MTC funding sources to coordinate and collaboratively prepare and initiate Bay Fair Station initiatives and efforts to advance development.

Staff in coordination with partners including BART and the City of San Leandro will complete necessary studies on the Bay Fair BART parking lot to guide and advance future development. Staff has received funding for the Priority Sites Technical Assistance (TA), Community Based Transportation Plan (CBTP) technical assistance, and amendments to the Objective Residential Design Standards to encourage and streamline future development at the Bay Fair BART site. Staff is refining the TA scope in coordination with MTC and BART to begin TA efforts by the end of 2024. The scope will include analysis of existing site conditions, infrastructure analysis and a parking study to advance development. The CBTP is a joint Alameda County-City of San Leandro process anticipated to begin in late 2024 in combination with San Leandro's additional PDA planning efforts. The CBTP scope includes development of a Steering Committee who will offer feedback throughout the development of the CBTP. County staff and partners are actively working towards forming a Steering Committee that will include members who are well-suited to serve on a committee, including but not limited to invested public stakeholders and community representatives, partner agencies, CBOs and underrepresented populations. In addition to these efforts, county staff will be updating the Objective Design Standards to provide guidance for high density development for standards to be in place to accommodate a streamlined process for housing planned on the Bay Fair Station site.

The County will continue coordination and collaboration with surrounding property owners, BART, Alameda County Transportation Commission, and the City of San Leandro planning staff begun in late 2023.

Responsible Party: Community Development Agency (CDA) – Planning

Funding Source: General Fund, MTC Technical Assistance funds, and other grants as they are made available.

Time Frame:

- Begin ongoing coordination with BART station planner in late 2023
- Adopt zoning standards to be in full conformity with AB 2923 at time of adoption of Housing Element and associated plan and zoning ordinance changes
- Amend the Eden Area General Plan for these sites to reflect zoning standards and rezone the site to facilitate development of below-market-rate housing at time of Housing Element adoption
- Throughout 2024, Alameda County staff have worked with BART, San Leandro, and MTC staff to clarify the scopes for the CBTP and TA processes to begin in late 2024. This effort will consist of ongoing coordination with surrounding property owners, BART, Alameda County Transportation Commission, and the City of San Leandro planning staff to develop RFQ/RFP and enter into exclusive negotiating

agreement with selected development partners. PDA and CBTP efforts to be completed by 2026.

- The Objective Residential Design Standards Amendment process will begin in early January to adopt additional Objective Residential Design Standards by the end of 2025 that include standards for development above 86 units per acre and accommodate a streamlined process to facilitate housing. Interim guidelines will be used until adoption of the final standards.
- Identify alternative sites by June 2028 if no agreement is finalized by December 2027 for development at Bay Fair BART.

Geographic Targeting: Bay Fair BART Site

Program 1.D: Facilitating Sheriff’s Radio Facility Development

In compliance with the Surplus Land Act (codified at Government Code Section 54220 et seq.), the Alameda County Sheriff Department will dispose of its substation site at 15001 Foothill Blvd (80A-153-3-6) in Castro Valley in 2026 to promote the development of affordable housing at this site. There are no known impediments to the development of housing within the site. In preparation for the disposition of this site, the County will engage in predevelopment activities as follows:

- Amend the Castro Valley General Plan for this site and rezone to HDR-100-HE (86-100 du/ac) to facilitate development of below-market-rate housing. In addition, the County will issue a request for proposals for the identification of regulations, programs, infrastructure projects, feasibility, and financing measures necessary to develop below-market-rate housing at the site.
- Conduct outreach with developers to discuss development constraints and opportunities.
- .
- Remove barriers to development, which may include modification of parking ratios or other development standards, to encourage achieving maximum densities and to facilitate entitlements.
- Apply for grants and other funding sources to help fund the planning and development of affordable housing at this site. The County could also leverage local, State, and federal affordable housing funding sources.
- Enter into an exclusive negotiating agreement with development partners to build 143 units at the site.

See Section B.3.2 in Appendix B for more information.

Responsible Party: Community Development Agency (CDA) – Planning, Sheriff’s Department, General Services Agency (GSA), Board of Supervisors

Funding Source: General Fund, Grant Funding (as available)

Time Frame

- Amend the Castro Valley General Plan for this site and rezone the site to facilitate development of below-market-rate housing before or during the adoption of the Housing Element Draft, after receiving certification by the state.
- Coordinate with Alameda County General Services Agency to begin Surplus Land process in 2025
- Enter into exclusive negotiating agreement with selected development partners by December 2026.
- Issue building permits by December 2027.
- Identify alternative sites by June 2027 (if no agreement is finalized by December 2026).

Quantified Objective: Accommodate at least 96 units at a density of up to 100 units per acre, including at least 49 units affordable to lower income households including seniors, disabled persons, single-parents, low-income families, and people requiring supportive services. Estimated units have been adjusted to accommodate nearby fault line.

Geographic Targeting: Sheriff Substation

Program 1.E: Web Based Zoning and Planning Information

Continue to update the Public Access Map to provide a centralized, accessible, web-based information service for each parcel in Unincorporated Alameda County to reflect planning and zoning updates.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Ongoing

Program 1.F: Online Permitting and Streamlining

Continue to accept building and land use permit applications online via Maintstar system to streamline the permitting process for housing projects and coordinate with other Departments to implement its use. Prepare an online comprehensive application checklist to ensure applicants clearly understand all application materials that must be submitted for processing of housing projects.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Ongoing

Quantified Objective: Make all permit types available by December 2024

Program 1.G: Lower-Income Sites Modifications to Address Shortfall

Because the standards are not in place to accommodate the RHNA obligation at the time of Housing Element adoption, the County has a shortfall of sites. Consistent with California Government Code Section 65583.2(h) and (i), sites identified in the sites inventory for lower-income units will also be modified to:

1. Allow owner-occupied and rental multi-family use by-right for developments in which 20 percent or more of the units are affordable to lower-income households;
2. Accommodate a minimum of 16 units per site;
3. Establish a minimum density of 30 units per acre; and
4. Require residential use occupancy of at least 50 percent of the total floor area of any mixed-use project on these sites.

The County commits to appropriate development standards to encourage achieving the densities proposed in this program.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Amend the Zoning Ordinance as described above by January 2025

Geographic Targeting: Lower-income units in the sites inventory

Program 1.H: General Plan Consistency

To ensure consistency between the County's Eden Area General Plan, Castro Valley General Plan, and East County Area Plan and the Zoning Ordinance, the County will amend the Eden Area General Plan, Castro Valley General Plan, and East County Area Plan to allow the uses and densities as proposed under the Housing Element in Program 1.A, as specified. The County commits to developing appropriate development standards to encourage achieving the maximum densities described in Program 1.A.

Objective: Maintain consistency in County regulatory and policy documents.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Amend the General and Area Plans as described above before or during the adoption of the Housing Element Draft, after receiving certification by the state.

Program 1.I: Monitor and Facilitate Pipeline Housing Projects

Monitor progress of the entitled or proposed (i.e., pipeline) projects identified in Table B-4 of Appendix B: Sites Inventory & Methodology and coordinate with applicants to facilitate remaining approvals and permits to ensure completion of these projects within the planning period (by January 31, 2031). If a pipeline project is not anticipated to be completed within the planning period, the County will ensure adequate capacity for the remaining RHNA by each income

category is provided through monitoring of no net loss during annual reporting and rezone if necessary to comply with State law (see Program 1.J).

Annually, and coinciding with preparation of the Annual Progress Reports (Program 1.C), the County shall evaluate remaining pipeline projects and consider on a project-by-project basis what appropriate actions might be taken to facilitate their completion within the planning period, which may include but not limited to assignment of additional staff and technical assistance for project applicants. At the midpoint of the Cycle (2027), if the County determines that a pipeline project is not anticipated to be completed in the planning period, the County shall complete alternative actions, including, but not limited to, additional rezonings within 18 months to maintain adequate RHNA capacity at all income levels.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Annual review and assessment of no net loss by April 1; if rezoning action is necessary to comply with no net loss, the County will take rezoning action within the time period specified in State law. Monitor pipeline projects by 2027; engage in alternative actions including rezoning within 180 days of monitoring if projects are not anticipated to be completed in the planning period.

Quantified Objective: 1,455 units as described in Appendix B

Geographic Targeting: Entitled or proposed (i.e., pipeline) projects identified in Table B-4 of Appendix B

Program 1.J: Rezone 5th Cycle Lower-Income Housing Sites

Under AB 1397, certain rezoning requirements apply if a lower income housing site identified in the sites inventory (Appendix B) was identified as a housing site (for any income level) in a previous housing element's site inventory. The following vacant and nonvacant lower income sites are subject to the rezoning requirements:

- Vacant lower income sites that have been included in at least two consecutive housing element sites inventories.
- Nonvacant lower income sites that have been included in a prior housing element sites inventory.

The County will make necessary zoning amendments to allow development by right pursuant to Government Code §65583.2(i) when 20 percent or more of the units are affordable to lower income households on sites identified in Table IV-1. These identified sites meet the density requirements for lower-income households and allow at least 30 units per acre.

Table IV-1: Previous Housing Element Cycle Sites to be Rezoned

Address	APN ¹	Parcel Size (ac)	Zone	Lower Income Units Capacity
Dermody Ave San Leandro 94578	80D-563-17	0.88	RS-D15	28
Wagner St San Lorenzo 94580	80D-565-29	1.99	RS-D15	63
Wagner St San Lorenzo 94580	80D-565-30	1.17	RS-D15	38
Wagner St San Lorenzo 94580	80D-568-30	1.57	RS-D15	50
Wagner St San Lorenzo 94580	80D-568-31	1.60	RS-D15	50
20095 Mission Blvd Hayward 94541	414-21-60	0.21	ACBD-DMU	12
20097 Mission Blvd Hayward 94541	414-21-61	0.89	ACBD-DMU	53
20095 Mission Blvd San Lorenzo 94580	414-21-78	0.84	ACBD-DMU	50
20095 Mission Blvd Hayward 94541	414-21-79	0.32	ACBD-DMU	19
20095 Mission Blvd Hayward 94541	414-21-80	0.19	ACBD-DMU	11

¹The first five parcels in Table IV-1 are mixed-income rezone sites that are BART parking lots subject to Program 1.C.
 Source: Alameda County, LWC

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Amend the Zoning Ordinance as described above by September 2024

Geographic Targeting: Lower-income 5th Cycle Bay Fair BART sites and former Cherryland Place.

Program 1.K: ADU Ordinance Compliance and Facilitation

Revise the County’s ADU ordinance for compliance with State law to address any issues that the California Department of Housing and Community Development (HCD) raises upon review of the County’s ordinance. The County anticipates that HCD will be providing comments to the County on its current ordinance. This also includes allowing by-right ADUs/JADUs in the following zoning districts that allow for residential uses:

- Base residential zoning districts: R-1, R-2, R-S, MU, R-3, R-4, SD, RSL, RMF, and RMX
- ACBDSP zoning districts: DMU, BC, CMU-C, CMU-R, CN-C, CN, R
- CVBDSP zoning districts: subareas 2 and 4-11

- SLVCSP zoning districts: entire plan area

In the interim period until the County completes updating the Zoning Ordinance, the County recognizes and will comply with any State law that supersedes any local laws and regulations pertaining to ADUs and JADUs in base zoning districts and specific plan areas.

Lastly, given the amount of ADUs projected to meet the lower- and moderate-income RHNA, the County will include the following to incentivize the creation of ADUs that can be offered at an affordable rent:

- *Pre-Approved Plans.* Provide architectural plans for ADUs and JADUs that are “pre-approved” for a planning permit.
- *Funding Available.* Promoting the availability of funding for ADUs, including the CalHFA ADU Grant Program that provides up to \$25,000 to reimburse homeowners for predevelopment costs necessary to build and occupy an ADU.
- *Public Engagement.* Publicize and promote pre-approved ADU plans through multiple outreach methods and languages, targeting single-family households and neighborhoods. Outreach material would also include fair housing information (e.g., source of income protection). Outreach activities will include working with the Alameda County Assessor’s office to host Home Owners Resource fairs in the urban unincorporated areas minimum once every other year.
- *Enforcement.* Monitor permitted ADUs and affordability every other year and take appropriate actions such as adjusting assumptions or rezoning within a specified time period (e.g., six months).

While the County has targeted permitting 427 ADUs during the planning period (approximately 61 ADUs per year from 2024 to 2031, consistent with trends for ADU building permits issued from 2018 to 2023) for its Regional Housing Need Allocation (RHNA) purposes, in order to promote housing mobility², the County has set an even higher target aimed at permitting at least 90 ADUs per year. This target is consistent with 2023 and 2024 trends³ and is supported by the various measures to facilitate ADUs identified in this program.

Objective: Encourage the creation of accessory dwelling units by adopting an ordinance that is compliant with State law

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame:

² Housing mobility strategies consist of removing barriers to housing in areas of opportunity and strategically enhancing access.

³ Based on the number of ADU building permits issued from January to May 2024, the County anticipates permitting 93 ADUs in 2024. The County issued 114 ADU building permits in 2023.

- Amend the Zoning Ordinance as described above by September 2024.
- Adopt and publicize pre-approved plans and promote funding for ADUs on the County HCD/Planning websites by January 1, 2025.
- Monitor ADU production every two years from adoption and take appropriate actions such as adjusting assumptions or rezoning within six months of monitoring efforts.
- Work with Assessor’s office to host Home Owners Resource fairs in the urban unincorporated areas on alternating years (2024, 2026, etc)

Quantified Objective: Permit 427 ADUs (approximately 61 ADUs per year) throughout the planning period for RHNA purposes; target at least 90 ADUs per year to enhance housing mobility.

Geographic Targeting: Throughout unincorporated Alameda County

Program 1.L: Update Castro Valley Business District Specific Plan

Update the Castro Valley Business District Specific Plan to allow for additional multi-family and mixed-use residential opportunities. The County commits to appropriate development standards to encourage achieving the maximum densities.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Fall 2025

Geographic Targeting: Castro Valley Business District Specific Plan Area

Program 1.M: Senate Bill 9 Compliance

Senate Bill (SB) 9, adopted in 2021, requires proposed housing developments containing no more than two residential units within a single-family residential zone to be considered ministerially, without discretionary review or hearing, if the proposed housing development meets certain criteria. SB 9 also requires local agencies to ministerially approve a parcel map for an urban lot split subject to certain criteria. The County will adopt an ordinance to allow up to four housing units in single-family zones consistent with SB 9 (in the case of a qualifying “urban lot split”), including allowing missing middle housing typologies.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Amend the Zoning Ordinance as described above by July 2025

Geographic Targeting: Single-family zones.

Program 1.N: Allow Religious Institution-Affiliated Housing

Amend the Zoning Ordinance to allow religious institution-affiliated housing development projects by right as accessory to permitted religious institution uses, consistent with Assembly Bills 1851 and 2244. The California legislature passed AB 1851 in 2020 and AB 2244 in 2022, which

encourage the use of religious facility sites (including parking lots) for housing developments and prohibit jurisdictions from requiring replacement parking when used for qualified development. State law defines “religious institution affiliated housing” as housing that is on religious institution property and is eligible for a State density bonus, meaning it has elements of affordability.

In the interim period until the County completes updating the Zoning Ordinance, the County recognizes and will comply with any State law that supersedes any local laws and regulations pertaining to allowing religious institution-affiliated housing in base zoning districts and specific plan areas. Furthermore, to promote the development of religious institution-affiliated housing, the County will continue to conduct outreach to faith-based organizations during the planning period to discuss the possibilities of developing affordable housing on land they own or lease and provide technical assistance as needed. The County previously communicated with faith-based organizations during the first quarter of 2024 to this effect during the preparation of this Housing Element.

Responsible Party: Community Development Agency - Planning

Funding Source: General Fund.

Time Frame: January 2026; reach out to faith-based organizations by September 2025 to inform them/enable participation in the Zoning Ordinance amendment process; reach out to faith-based organizations to discuss the possibilities of developing affordable housing on land they own or lease by February 2026.

Geographic Targeting: Religious institution sites, including but not limited to St. John Catholic Church, Foothill Baptist Church, and Epiphany Lutheran Church, and the Catholic Diocese of Oakland (owner of several vacant lots).

Program 1.O: Preparation of Castro Valley BART Station for future development

In the 2024 Transit Oriented Development (TOD) work plan, BART stated that development at the Castro Valley BART Station is a long-term goal (RFP post 2034). To ensure that the station can develop in the following Housing Element cycle, staff will begin pre-development work now. This includes but is not limited to: rezoning the site to be in full compliance with AB 2923 and MTC TOC policies, ongoing engagement with Castro Valley residents over changes at the station, and working towards future parking solutions that support station and future residential needs. Staff will continue to work with BART staff to ensure the development of the site.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund, MTC Technical Assistance funds, and other grants as they are made available

Time Frame:

- Adopt zoning standards in compliance with AB 2923 before or during the adoption of the Housing Element Draft.,

- Amend the Castro Valley Area General Plan for these sites to reflect zoning standards and rezone the site to facilitate development of below-market-rate housing before or during the adoption of the Housing Element Draft.
- Incorporate supportive development standards in the updated Castro Valley Business District Specific Plan, expected to be completed in 2025 (see program 1.L).
- Apply for future rounds of PDA funding to support pre-development work at the station

Geographic Targeting: Castro Valley BART Site

Program 1.P: Southern Castro Valley Specific Plan

Staff will explore the creation of an additional specific plan for the southernmost portion of Castro Valley to address community concerns.

Responsible Party: Community Development Agency - Planning

Funding Source: General Fund.

Time Frame: Decide whether to pursue additional specific plan by end of 2026

Geographic Targeting: Southern Castro Valley.

Program 1.Q. Additional Public Sites

Public sites included in the table above are included in the sites inventory requiring, variously, zoning code, general plan, and specific plan changes. Sites are in different stages of the surplus and development process, and it is the responsibility of their respective public owners to comply with the Surplus Land Act (codified at Government Code Section 54220 et seq.) As described in the 'Timeframe' column, should development become unlikely to occur within the planning period, additional alternative sites will be added to the sites inventory within 180 days in compliance with State No Net Loss requirements.

Responsible Party: Community Development Agency (CDA) – Planning, Economic and Community Development; Hayward Unified School District; City of Hayward; San Lorenzo Unified School District

Funding Source: General Funds and other grants as they are made available

Quantified Objective: The development of 330 units over the course of the planning period on the sites listed in the included table, or identified alternate sites.

Geographic Targeting: Former Cherryland Place, Parcel Group 9 of Route 238, 879 Grant Ave, San Lorenz

Program 1.Q Additional Public Sites					
Site name and/or Address	APNs	Unit Count	Public Owner	Program Commitments	Time Frame
Former Cherryland Place	414-21-61 414-21-78 414-21-79 414-21-60 414-21-80	Low, 53 Low, 50 Low, 19 Low, 12 Low, 11	Alameda County CDA, Economic and Civic Development Department (ECD)	<ul style="list-style-type: none"> Amend the Eden Area General Plan and Ashland Cherryland Specific Plan to facilitate low income housing during the adoption of the Housing Element (Program 1.A and 1.H) Conduct outreach with developers to discuss development constraints and opportunities. Remove barriers to development, which may include modification of parking ratios or other development standards, to encourage achieving maximum densities and to facilitate entitlements. Apply for grants and other funding sources to help fund the planning and development of affordable housing at this site. The County could also leverage local, State, and federal affordable housing funding sources. Enter into an exclusive negotiating agreement with development partners to build 145 units at the site. 	<ul style="list-style-type: none"> Sites have been declared surplus previously in compliance with the Surplus Land Act (codified at Government Code Section 54220 et seq.) Conduct outreach with developers to discuss development constraints and opportunities. Anticipated RFP for affordable housing in 2027. Enter into exclusive negotiating agreement with selected development partners by December 2026. Issue building permits by December 2028. Identify alternative sites by June 2028 if no agreement is finalized by December 2027.
Parcel Group 9 of Route 238	417-240-5-3 415-160-51 415-160-53	Above Moderate, 12 Mixed Income, 31 Moderate, 10	City of Hayward	<ul style="list-style-type: none"> Amend the Castro Valley General Plan, Eden Area General Plan, and zoning code to facilitate housing during the adoption of the Housing Element (Program 1.A and 1.H) Remove barriers to development, which may include modification of parking ratios or other development standards, to 	<ul style="list-style-type: none"> Coordinate with the city of Hayward for the disbursement of the properties. Coordinate with future developers as needed for the permitting of development on the properties. Identify alternative sites by June 2029 if no permits have been issued by December 2028.

Program 1.Q Additional Public Sites

				encourage achieving maximum densities and to facilitate entitlements.	
879 Grant Ave, San Lorenzo	412-22-7-2	Above Moderate, 57	San Lorenzo Unified School District (SLZUSD)	<ul style="list-style-type: none"> Amend the Eden Area General Plan and zoning code to facilitate housing during the adoption of the Housing Element (Program 1.A and 1.H) Remove barriers to development, which may include modification of parking ratios or other development standards, to encourage achieving maximum densities and to facilitate entitlements. 	<ul style="list-style-type: none"> Work with SLZUSD to subdivide existing parcel. Coordinate with SLZUSD and future developers as needed for the sale and permitting of development on the property. Identify alternative sites by December 2029 if no permits have been issued by June 2029.

Goal 2: Ensure a wide range of housing types to accommodate the housing needs of moderate- and lower-income residents and households.

Policies

Policy 2.1: Countywide Affordable Housing Assistance

Use existing and develop new methods of providing economic assistance for the provision of affordable housing for persons residing in the County.

Policy 2.2: Affordable Housing Trust Fund Program

Identify key projects to support with the Affordable Housing Trust Fund Program (funded from Residual Tax Increment / former Redevelopment Funding “Boomerang”).

Policy 2.3: Incentives for Affordable Housing Development

Promote the use of density bonuses and other incentives to facilitate the development of new housing for extremely low-, very low-, and low-income households.

Policy 2.4: State and Federal Housing Program Participation

Leverage State and Federal housing programs to advance the production and sustainability of new affordable housing units.

Policy 2.5: Local Funding Resources

Research and develop and promote local funding mechanisms to finance affordable housing development such as boomerang funds.

Policy 2.6: Community Reinvestment Act

Continue to support the Community Reinvestment Act to encourage financial institutions to provide loans in high-risk areas and for affordable housing developments.

Policy 2.7: Assist Housing Developers in Identifying Sites for Affordable Housing Development

Assist housing developers in identifying and consolidating suitable sites for the development of housing affordable to a wide range of households.

Policy 2.8: State Funding Resources

Pursue State funding sources, such as tax-exempt bond and low-income tax credit allocations, to ensure that the County receives its fair share of statewide funding. Coordinate with developers and other partners to maximize the competitiveness of County supported affordable housing project applications.

Policy 2.9: Support Legislation for Affordable Housing

Sponsor and support legislation to provide and expand funding for affordable housing; including a replacement for tax increment funding (former redevelopment set aside funding), continued support for federal tax incentive programs like Low Income Housing Tax Credits, Mortgage Credit Certificates, and tax-exempt financing, as well as new programs that may be proposed.

Policy 2.10: Coordination with Water and Sewer Providers

Coordinate planning efforts with local water and sewer providers, particularly for lower-income housing developments.

Policy 2.11: Monitor Retention of Existing Federally Subsidized Housing

Monitor and encourage Federal and State efforts to ensure retention of existing federally subsidized housing stock.

Policy 2.12: Evaluate Feasibility of Local Resource Allocation

Evaluate the feasibility of allocating local resources to preserve existing affordable housing units and prevent the displacement of low- and moderate- income households.

Policy 2.13: Research Impacts of Public and Private Projects

Evaluate potential impacts of public and private projects on the existing housing supply. Restrict development or require that adequate replacement housing be provided when projects will result in substantial losses of low and moderate cost housing units.

Policy 2.14: Maintain System for Tracking Affordable Housing

Continue to maintain a system for keeping track of all subsidized low and moderate-income units.

Programs

Program 2.A: Density Bonus

Consistent with AB 2345, amend the Zoning Ordinance to increase the density bonus from 35 percent to 50 percent for qualifying projects and ensure the density bonus ordinance complies with State law. In the interim period until the County completes updating the Zoning Ordinance, the County recognizes and will comply with any State law that supersedes any local laws and regulations pertaining to density bonuses in base zoning districts and specific plan areas.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: January 2025

Program 2.B: Small Lot Consolidation

The existing Density Variable (DV District) incentivizes lot consolidation to facilitate housing development for lower-income units on sites greater than 0.5 acres but smaller than 10 acres. Staff will continue to offer these incentives.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Ongoing

Geographic Targeting: Parcels zoned RS-DV in Cherryland, Hayward Acres, and San Lorenzo

Program 2.C: ADU Resource Center

Through 2024, Alameda County has partnered with Hello Housing to operate an ADU one-stop-shop as a pilot project. Hello Housing has provided free feasibility and project management support for residents of Unincorporated Alameda County. This includes property evaluations and guidance in locating professionals and navigating the permitting process. In 2023 Alameda County HCD launched the ADU Resource Center (<https://www.adu.acgov.org/>), which includes relevant ADU information for all jurisdictions in Alameda County, a timeline of activity, cost calculators, and more. Resource books and handouts were also created. Also see Program 1.K.

Responsible Party: Community Development Agency (CDA) - Housing and Community Development

Funding Source: General Fund

Time Frame: Ongoing

Quantified Objectives:

For Hello Housing ADU One Stop Shop: Assist at least 3 more homeowners over the course of the contract for a total of 20 homeowners helped. Pending funding allocation from the Board of Supervisors, issue an RFP for Hello Housing or another consultant to continue the one-stop-shop.

For the Alameda County ADU Resource Center: Keep information, especially that regarding the unincorporated areas, up to date and continue to publicize resources through the Resource Center.

Geographic Targeting: Throughout unincorporated Alameda County

Program 2.D: Park Fee Waiver

Continue to waive the park fee for affordable housing projects to support their financial feasibility.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Ongoing

Program 2.E: AC Boost First Time Homebuyer Down Payment Assistance

Continue to provide shared appreciation loans of up to \$210,000 to first-time homebuyers who live, work in, or have been displaced from Alameda County. Provide other resources and periodically update the County website as new information and programs become available for first-time homebuyers. The website includes links to both state and federal homeownership resources, as well as information on predatory lending and financial literacy. Measure A-1 funding served 157 first-time homebuyers Countywide as of 2023. This program is administered by the non-profit organization Hello Housing, on behalf of Alameda County Housing & Community Development Department.

Responsible Party: Community Development Agency (CDA) - Housing and Community Development,

Funding Source: Measure A-1

Time Frame: Ongoing, funded annually

Quantified Objective: Serve 5 first-time homebuyers during the planning period

Program 2.F: Affordable Housing Trust Fund “Boomerang” Program

Continue to use the Boomerang Fund to provide services throughout the planning period. The Boomerang Fund provides approximately \$2.5 million annually in the unincorporated areas, and an additional \$2.5 million for incorporated areas, to develop and implement housing policies to support low-income households and homeless persons. Services provided include the AC affordable housing web portal, AC housing secure tenant legal support, a downtown streets team, tiny homes, expanded winter shelters, a safe parking program, and a navigation center. The County will continue to use the Boomerang Fund to provide these services throughout the planning period.

Responsible Party: CDA - Housing and Community Development

Funding Source: General Fund

Time Frame: Ongoing, funded annually

Geographic Targeting: Throughout unincorporated Alameda County, including higher and lower resource areas

Quantified Objective: Annually, the program will:

- Provide legal services for 88 households
- Provide 50 shelter beds per night
- Provide an additional 8 shelter beds per night for expanded winter shelter
- Serve 12 people with the downtown streets team
- Provide 17 people with help via the navigation center
- Provide safe parking for 102 people

Program 2.G: Measure A-1 Funding

Continue to support the use Measure A-1 funds to support household rehabilitation/preservation, the construction of rental units serving people with specific housing needs, homebuyers with down payments, and programs and services for people experiencing homelessness. Measure A-1 funds have added 3,054 affordable units to the County pipeline, as part of the 3,800 rental unit goal throughout Alameda County. County-wide, as of 2023, 83 families have received home preservation help (through the program RenewAC) and 157 households have received down payment assistance (through the program AC Boost).

Responsible Party: CDA - Housing and Community Development

Funding Source: Measure A-1

Time Frame: Staff anticipate having allocated all remaining funds in 2025 and that construction will conclude on Madrone Terrace and Crescent Grove by 2026.

Geographic Targeting: Madrone Terrace and Crescent Grove affordable housing developments. Both developments are located in low resource areas.

Quantified Objective: Complete the construction of 151 affordable housing units in low resource areas (Madrone Terrace and Crescent Grove affordable housing developments).

Program 2.H: Provide Sewer Priority for Lower-Income Housing

In alignment with Government Code §65589.7, the County will adopt written policies and procedures that give priority for sewer hook-ups and service to lower-income housing developments to reflect current prioritization processes. The County will also increase coordination with utility companies regarding projects in the development pipeline to adequately plan for utilities early in the development process.

Responsible Parties: Community Development Agency (CDA) – Planning, Public Works Agency

Funding Source: General Fund

Time Frame: January 2025

Quantified Objective: Meet biannually in June and December with Ora Loma Sanitation District, Castro Valley Sanitation District, EBMUD, Zone 7, PG&E, and Public Works to inform them of projects that require utility services to facilitate housing development.

Program 2.I: Community Development Block Grant (CDBG) and HOME Funding

Continue to participate in the CDBG, HOME and related programs. CDBG funds may be used to provide a suitable living environment by expanding economic opportunities and providing decent

housing to low-income households. Eligible uses of HOME funds include tenant-based rental assistance; housing rehabilitation; assistance to homebuyers; and new construction of rental housing. HOME funding may also be used for site acquisition, site improvements, demolition, relocation, and other necessary and reasonable activities related to the development of non-luxury housing.

Responsible Party: CDA - Housing and Community Development

Funding Source: CDBG, HOME funding

Time Frame: Ongoing, funded annually

Geographic Targeting: Throughout unincorporated Alameda County

Quantified Objective: Fund at least one improvement in the Eden Area (Ashland, Cherryland, San Lorenzo, Hayward Acres) or southern Castro Valley per year during the planning period

Program 2.J: ADUs with Multi-Family Developments

Encourage the construction of ADUs as part of multi-family housing developments.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: July 2025

Quantified Objective: Permit five ADUs per year as part of multi-family housing developments

Program 2.K: Preserve At-Risk Housing

Continue to preserve the affordability of housing at-risk of conversion to market rate by various means:

- Maintain a database of subsidized housing units in order to monitor the status of units at-risk of conversion;
- Proactively contact property owners of units at-risk of converting to market-rate housing within three years of affordability expiration to discuss the County's desire to preserve complexes/units as affordable housing and offer to assist with funding;
- Pursue funding from private, State and Federal programs to assist in preserving at-risk housing;
- Provide assistance via the Section 8 Housing Choice Voucher Program to households displaced due to the expiration of affordability restrictions;
- Discuss preservation options with at-risk project owners;
- Contact nonprofit housing developers to collaborate on projects that preserve units at-risk;
- Provide financial assistance to nonprofit housing developers to either acquire or rehabilitate units at-risk of conversion;

- Evaluate the feasibility of allocating other local resources to preserve existing affordable housing units and prevent the displacement of low- and moderate- income households.
- Ensure that property owners comply with State laws requiring them to notify tenants, six months, one year, and three years in advance of their intent to terminate their subsidy contract or affordability covenants; and
- Provide technical assistance to tenants to access other affordable housing resources.

Also see Section A.5.4 of Appendix A for more information regarding at-risk housing.

Responsible Party: Community Development Agency – Housing and Community Development, and Housing Authority of the County of Alameda

Funding Source: General Fund, Housing and Urban Development, HOME, and Section 8

Time Frame: Ongoing. Contact property owners of at-risk units three years and one year in advance of expiration. Pursue funding from State and Federal programs annually. Contact nonprofit housing developers annually to collaborate on projects that preserve units at risk (see Table A-24 in Section A.5.4 – At-Risk Housing Assessment for more details).

Quantified Objective: Preserve 128 at-risk units as identified in Table A-24 of Appendix A that are at moderate and high risk of conversion in the next 10 years.

Geographic Targeting: At-risk households throughout Unincorporated Alameda County, including renter and senior households, but especially those housing development identified in Table A-24 of Appendix A that are at-risk of conversion in the next 10 years.

Program 2.L: Protect Existing Affordable Housing Units

Study the legal and programmatic feasibility of amending the Zoning Code to limit the redevelopment of existing affordable housing projects to other uses and to require that adequate replacement housing be provided when projects will result in substantial losses of low- and moderate-income housing units.

Responsible Party: Community Development Agency - Planning

Funding Source: General Fund

Time Frame: January 2026

Objective: If found to be legal and feasible, present an ordinance for the Board of Supervisors' consideration, to limit the redevelopment of existing affordable housing projects to other uses and to require that adequate replacement housing be provided when projects will result in substantial losses of low- and moderate-income housing units.

Goal 3: Mitigate constraints to housing development and affordability.

Policies

Policy 3.1: Identify Constraints

Review ordinances and requirements that may unnecessarily increase the cost of housing or impede implementation of the Housing Element.

Policy 3.2: Clear Objective Development Standards and Approval Procedures

Maintain and administer clear development standards, and approval procedures for residential development.

Policy 3.3: California Environmental Quality Act

Seek strategies to streamline or expedite the environmental review process required under the California Environmental Quality Act (CEQA).

Policy 3.4: Intergovernmental Coordination

Promote intergovernmental coordination in review and approval of residential development proposals when more than one governmental agency has jurisdiction.

Policy 3.5: State-Level Affordable Housing Policies

Pursue policy changes at the State level to remove barriers to the production of affordable housing.

Policy 3.6: Modular and Mobile Homes

Enforce provisions of the County Zoning Ordinance and the County Building Code which permit the placement of pre-1976 modular homes and mobile homes on a permanent foundation to be located on any site on which a conventional dwelling unit is permitted.

Policy 3.7: Height Limit Modification

Increase the height limit to be consistent with BART TOD in transit-oriented mixed-use development districts and high-density residential districts to ensure that multi-family housing can be effectively built. Allow exceptions to this maximum through the use of Conditional Use Permits.

Policy 3.8: State and Regional Housing Designations

Pursue program and policy changes to successfully qualify for programs like the HCD Pro-Housing Designation or comply with policies such as the MTC Transit-Oriented Communities Policy to increase access to funding for housing.

Programs

Program 3.A: Streamline Parking Requirements

Incorporate parking rates established by the Residential Design Standards and Guidelines (adopted in 2014) into the Zoning Code for all base zoning districts and Specific Plans to remove unnecessary costs to housing projects, including reducing parking rates for multifamily housing. See Appendix C for more information. The County will also remove or reduce guest parking

requirements, reduce parking requirements for SROs and other similar housing types to levels lower than the Residential Design Standards and Guidelines and apply these parking modifications throughout the County.

Responsible Party: Community Development Agency - Planning

Funding Source: General Fund

Time Frame: January 2025

Program 3.B: Planning Commission Streamlining Subcommittee

In 2022, the Planning Commission created a Permit Streamlining subcommittee tasked with looking at various regulations that are considered hinderances to development projects. A subcommittee of three Planning Commissioners developed the following list of items they believe, if implemented, would streamline development projects. Below is a summary of the items, subject to review at the community level.

- Site Development Review (SDR): Only require an SDR when a project does not comply with the General Plan, Specific Plan, Design Guidelines. This will allow for an expedited approval of projects that comply with existing standards and generally a greater reliance on existing approved Plans, Standards, Guidelines and Ordinances.
- Lot size consistency: Eliminate Lot Size Consistency and defer to zoning for minimum lot sizes. Resolve the “lot size consistency” during the pre-application meeting. This is too important an issue to be left to the formal review phase. Provide guidelines and examples to applicant on how to prepare a lot size consistency analysis for the County’s review and approval during the pre-application meeting phase.
- Private Streets: Require Public Streets when a project has greater than a certain number of parcels. Private roads may be allowed by Public Works Agency when a public street requirement would have a detrimental effect on the development yield.

These changes proposed by the Planning Commission Permit Streamlining Subcommittee will be implemented programmatically within the Housing Element document.

Responsible Party: Community Development Agency - Planning

Funding Source: General Fund

Time Frame: Intermittent meeting schedule; complete task by early 2025

Quantified Objective: Bring recommendations to the public by August 2024

Program 3.C: Allow Residential Care Facilities and Community Care Facilities Consistent with State Law

Amend the Zoning Code to permit residential care facilities and community care facilities in the A, R-1, and SD zoning districts to be compliant with State law. Additionally, all Specific Plans should be revised to ensure compliance with State law, referring back to the Zoning Ordinance where appropriate. In the interim period until the County completes updating the Zoning Ordinance, the

County recognizes and will comply with any State law that supersedes any local laws and regulations pertaining to allowing residential care facilities and community care facilities in base zoning districts and specific plan areas.

Additionally, consistent with the County's intent to remove constraints to the development of housing for special needs households and to affirmatively further fair housing, the County will amend its Zoning Code to allow residential care facilities (regardless of licensing) for seven or more persons by-right in all zones allowing residential uses. Such uses shall be subject to procedures and objective standards similar to other residential uses of the same type in the same zone.

Responsible Party: Community Development Agency - Planning

Funding Source: General Fund

Time Frame: January 2026

Quantified Objective: Permit one residential care facility and community care facility with the goal of providing facility capacity for 10 persons during the planning period.

Program 3.D: SB 35 Processing and Permit Streamlining

California Senate Bill 35 (SB 35) (Government Code Section 65913.41) became effective January 1, 2018. The intent of SB 35 is to expedite and facilitate construction of affordable housing. SB 35 requires cities and counties that have not made sufficient progress toward meeting their affordable housing to streamline the review and approval of certain qualifying affordable housing projects through a ministerial process. The County complies with the requirements of SB 35 as part of project review as projects are proposed. The County will adopt local procedures consistent with SB 35 to ensure continued compliance and to facilitate the review process.

Responsible Party: Community Development Agency - Planning

Funding Source: General Fund

Time Frame: January 2026

Quantified Objective: Create an SB 35-specific process within Maintstar by January 2026

Program 3.E: Objective Design Standards

California state laws, including SB 35 (2017), SB 330 (2019), and SB 8 (2021) require housing development projects to be reviewed against objective design standards. In December 2023, the County adopted Objective Design Standards.

Responsible Party: Community Development Agency – Planning

Funding Source: General Fund

Time Frame: Ongoing use of objective design standards

Quantified Objective: Complete staff training on Objective Design Standards and generate appropriate checklists by Fall 2024

Program 3.F: Emergency Shelter Parking Requirements

Amend the Zoning Ordinance to only require parking necessary for emergency shelter staff consistent with Government Code §65583(a)(4)(A).

Responsible Party: Community Development Agency – Planning

Funding Source: General Fund

Time Frame: December 2025

Program 3.G: Minimum and Maximum Densities in Zoning Code Updates to Community Plans

As community plans are updated, adopt minimum densities and maximum densities as part of any zoning code update.

Responsible Party: Community Development Agency – Planning

Funding Source: General Fund

Time Frame: Ongoing as community plans are updated. The Castro Valley Business District Specific Plan is anticipated to be adopted by Fall 2025.

Program 3.H: Housing Element Overlay Combining District

To promote development of all housing types and especially those for lower and moderate income households, staff will develop and bring to the Board of Supervisors for approval a combining district overlay on all parcels in the sites inventory, excluding pipeline sites, that enables the following:

- Permit streamlining
- Ministerial review unless not in compliance with relevant development standards
- Lowered parking requirements
- Developments within the overlay can request an Administrative Modification (AM) at no cost to request to modify development standards to address identified constraints on housing. Standards include height, lot coverage, setbacks, open space, landscaping, and parking.
- CEQA Exemption

In addition, consistent with *Martinez v. City of Clovis* (2023) 90 Cal.App.5th 193, lower income rezoning sites identified in the sites inventory in Appendix B will require a minimum density of 30 dwelling units per acre both in the underlying zoning and this overlay combining district.

Staff will review the Overlay District yearly during the annual General Plan report, or no more than two times per calendar year to address RHNA compliance and No Net Loss concerns and to review any changes to district.

Responsible Party: Community Development Agency – Planning

Funding Source: General Fund

Target Geography: Unincorporated Alameda County

Time Frame: The Housing Element Overlay Combining District will be brought to the Board of Supervisors at the time the Housing Element is brought for adoption.

Program 3.I: Development Services Process Review Implementation

County staff will continue to work with Baker Tilly and Management Partners to implement proposed changes to the overall Alameda County development and permitting process. The report, published in July 2023, included recommendations on the following topics:

- | | |
|--|------------------------------|
| 1. Interdepartmental communication and collaboration | 6. Project management |
| 2. Development services workflows | 7. Permit approvals |
| 3. Website information | 8. Planning permit decisions |
| 4. Turnaround times for predictability and accountability; | 9. Appeals processes |
| 5. Development services permitting system | 10. Public hearings |
| | 11. Alignment of functions |

There are 51 recommendations described in the Review document.

Responsible Parties: Alameda County Board of Supervisors, Board of Supervisors – Transportation and Planning Committee, Community Development Agency – Planning Department, Public Works Agency – Building Department, Alameda County Health (AC Health) Department of Environmental Health (DEH), Alameda County Fire Department (ACFD), County Administrator’s Office (CAO)

Time Frame: The first work plan is from 2023 to summer 2025.

Quantified Objective: Complete work plans created by Baker Tilly and Management Partners.

Goal 4: Create housing opportunities for people with special needs.

Policies

Policy 4.1: Special Needs Housing Development

Facilitate housing development for special needs households, including seniors, farmworkers, persons with disabilities and the homeless through unit set-asides in County supported projects and programs.

Policy 4.2: Emergency Shelters

Continue to allow emergency shelters without a conditional use permit or other discretionary permit in the R-4 Zone subject to appropriate development standards pursuant to Government Code Sec. 65583.a.4.

Policy 4.3: Accessible Design

Encourage the use of “accessible design” existing residential units and ensure that new units comply with accessibility standards subject to applicable ordinances.

Policy 4.4: Permanent Supportive Housing Development

Support and encourage the development of permanent supportive housing including affordable housing opportunities for households with incomes less than 30% of area median income (AMI).

Policy 4.5: Accessibility Improvements

Continue to provide accessibility improvements under housing rehabilitation programs to increase the ability of physically disabled people to a) obtain and retain appropriate housing, and b) live independently.

Policy 4.6: Supportive Housing

In accordance with State law, require that supportive housing be treated as a residential use.

Policy 4.7: Remove Constraints to Housing for Persons with Disabilities

Remove governmental constraints upon the development, maintenance, and improvement of housing for persons with disabilities.

Policy 4.8: Programs for Persons with Disabilities

Develop programs that remove constraints or provide reasonable accommodations for housing designed for persons with disabilities.

Policy 4.9: Private Sector Coordination

Coordinate with the private sector in the development of affordable and special needs housing for rental and homeownership. When appropriate, promote such development through incentives.

Policy 4.10: Childcare Centers

Consider the locations of childcare facilities in the development of affordable and market-rate housing.

Programs

Program 4.A: Emergency Shelters

The Zoning Code permits emergency shelters, defined as housing with minimal supportive services for homeless persons that is limited to occupancy of six months or less. Government Code Section 65583(a)(4) requires cities to identify a zone or zones where emergency shelters are allowed as a permitted use without a conditional use or other discretionary permit that have sufficient capacity to accommodate the need for emergency shelters in the community. The County allows emergency shelters by-right in the R-4 zoning district but, most of the parcels zoned R-4 are nonvacant. As described in Appendix C, the parcels in the R-4 district do not have sufficient capacity to meet the need for emergency shelters. Therefore, the County will rezone

additional parcels that have sufficient capacity to be (re)developed into emergency shelters into the R-4 district to accommodate the need, consistent with State law. In addition, the County will update its definition of “emergency shelters” to include other interim interventions, including, but not limited to, a navigation center, bridge housing, and respite or recuperative care.

Responsible Party: Community Development Agency - Planning

Funding Source: General Fund

Time Frame: No later than one year from adoption of the Housing Element

Quantified Objective: Amend the Zoning Map to accommodate sufficient emergency shelter capacity

Program 4.B: Low Barrier Navigation Centers

The Zoning Code does not address low barrier navigation centers (LBNCs), defined as Housing First, low-barrier, service enriched shelters focused on moving people into permanent housing that provide temporary living facilities while case managers connect individuals experiencing homelessness to income, public benefits, health services, shelter, and housing (Government Code Section 65660). State law requires LBNCs to be permitted by-right in areas zoned for mixed-use and nonresidential zones permitting multi-family uses provided they satisfy the provisions established by AB 101 (see Government Code Section 65662). Therefore, the County will amend its Zoning Code to allow Low Barrier Navigation Centers in the following zoning districts:

- Base residential zoning districts: MU
- ACBDSP zoning districts: DMU, BC, CMU-C, CMU-R, and CN-C, CN, and R
- CVBDSP zoning districts: subareas 2 and 4-11
- SLVCSP zoning districts: entire plan area

In the interim period until the County completes updating the Zoning Ordinance, the County recognizes and will comply with any State law that supersedes any local laws and regulations pertaining to low barrier navigation centers in base zoning districts and specific plan areas.

Responsible Party: Community Development Agency - Planning

Funding Source: General Fund

Time Frame: June 2025

Program 4.C: Transitional and Supportive Housing

Transitional and supportive housing must be allowed in all zones that allow residential uses and must be subject to the same development standards that apply to other residential uses of a similar type within these zones. Transitional housing and supportive housing are currently allowed by-right in all zones where single-family, multi-family, and mixed-use developments are permitted, with the exception of the A, R-1, and SD zoning districts. Therefore, the County will amend its Zoning Code to permit transitional and supportive housing by-right in the A, R-1, and SD zoning districts to and subject to the same development standards as residential uses within the same

zone in compliance with State law. In addition, the County will amend its Zoning Ordinance to allow transitional and supportive housing under AB 2162 by right in all zones where multifamily and mixed uses are permitted, including nonresidential zones permitting multifamily uses.

Moreover, all Specific Plans will be revised to be in compliant with State law, referring back to the Zoning Code when appropriate. In the interim period until the County completes updating the Zoning Ordinance, the County recognizes and will comply with any State law that supersedes any local laws and regulations pertaining to transitional and supportive housing in base zoning districts and specific plan areas. Lastly, the County commits to permitting these uses similar to other residential uses of the same type in the same zone.

Responsible Party: Community Development Agency - Planning

Funding Source: General Fund

Time Frame: June 2025

Program 4.D: Farmworker/Employee Housing

Remove the Site Development Review requirement in the A zoning district for agricultural employee housing so that it is allowed by-right, consistent with State law. See Appendix C for more information. In the interim period until the County completes updating the Zoning Ordinance, the County recognizes and will comply with any State law that supersedes any local laws and regulations pertaining to farmworker/employee housing in base zoning districts and specific plan areas. The County commits to amending its Zoning Ordinance to comply with Health and Safety Code section 17021.8.

Responsible Party: Community Development Agency - Planning

Funding Source: General Fund

Time Frame: January 2026

Program 4.E: Farmworker Housing Analysis

The County Agricultural Advisory Committee shall meet with agricultural organizations and other stakeholders to discuss the need for farmworker housing, determine whether the pursuit of funding for this type of housing is needed, and identify opportunities for collaboration and resource sharing. Also see Program 4.D above.

Responsible Party: Community Development Agency – Planning, Alameda County Extension Service

Funding Source: General Fund

Time Frame: December 2024

Program 4.F: Require Americans with Disabilities Act-Compliant Housing Units

Continue to require that a minimum percentage of units that conform to ADA standards be built for each housing project: projects using HOME require that 10 percent of units be physically accessible, 3 percent of units be vision accessible, and 3 percent of units be hearing accessible.

Responsible Party: Community Development Agency – Housing and Community Development

Funding Source: General Fund

Time Frame: January 2026

Program 4.G: Assist Seniors and Disabled Persons to Maintain and Rehabilitate their Homes

Seek, maintain, and publicize a list of resources or service providers to help seniors maintain and/or rehabilitate their homes. In addition, the County will create Universal Design standards to be usable by all people without the need for adaptation or specialized design. This allows for equitable use, flexibility in use, and simple and intuitive use. Examples could include no step entry, one-story homes, wide doorways and hallways, extra floor space, floors and bathtubs with non-slip surfaces, etc.

Responsible Body: Community Development Agency – Housing and Community Development; Community Development Agency – Planning

Funding Source: General Fund

Time Frame: January 2026

Geographic Targeting: Throughout unincorporated Alameda County

Program 4.H: Housing Opportunities for Persons with Disabilities

Encourage the development of supportive housing for persons with disabilities, including developmental disabilities, through the following actions:

- Enforcing building code provisions requiring accessible design;
- Seeking State and Federal monies for permanent supportive housing construction and rehabilitation;
- Providing regulatory incentives, such as expedited permit processing and fee waiver, to projects targeted for persons with disabilities;
- Reaching out to developers of supportive housing, and as funding becomes available;
- Encouraging development of projects targeted for persons with disabilities;
- Rewarding proposed projects with more than the minimum required number of ADA units in the RFP process with higher scores; and
- Working with local resource agencies to implement an outreach program informing families of housing and services available for persons with disabilities.

Responsible Party: Alameda County Health (AC Health), Regional Centers, Community Development Agency – Housing and Community Development, Community Development Agency – Planning, and Community Development Agency – Economic and Civic Development

Funding Source: General Fund

Time Frame: Ongoing. Provide regulatory incentives as described by July 2025. Circulate outreach information annually in alignment with the availability of funding.

Geographic Targeting: Throughout unincorporated Alameda County

Quantified Objective: Obtain applications for at least 10 units of supportive housing for people with disabilities per year

Program 4.I: Housing Opportunities for the Homeless

Promote the availability and increase the supply of housing opportunities for homeless persons by:

- Continuing to provide assistance as described in the Home Together 2026 Community Plan and the Oakland, Berkeley/Alameda County Continuum of Care; and
- Facilitating housing opportunities for homeless persons.

Oakland, Berkeley/Alameda County Continuum of Care is a collective impact initiative that unites the efforts of city and county government partners, nonprofit service providers, individuals with lived experience, and community members to address homelessness in Alameda County. Also see Programs 4.A and 4.B above for information on other ways the County is seeking to help homeless persons.

Responsible Party: Community Development Agency – Housing and Community Development, Community Development Agency – Planning, AC Health, Behavioral Health Department (ACBHD), AC Health – Housing and Homelessness Services.

Funding Source: General Fund

Time Frame: Annually

Geographic Targeting: Throughout unincorporated Alameda County

Program 4.J: Accessibility Grants

Continue to provide accessibility grants to qualified seniors or persons with special needs to install ramps, railings, doorways, counter height modifications, etc. Tenants and/or property owners may apply for assistance.

Responsible Party: Community Development Agency – Healthy Homes Department, Community Development Agency – Housing and Community Development

Funding Source: CDBG

Time Frame: Ongoing

Geographic Targeting: Throughout unincorporated Alameda County

Quantified Objective: Fund at least one improvement in the Eden Area (Ashland, Cherryland, San Lorenzo, Hayward Acres) or southern Castro Valley per year during the planning period

Program 4.K: Community Benefits Agreements (CBAs)

Complete research of and adopt policy for a community benefits agreement process. Facilitate process of bringing relevant stakeholders together to create and implement CBAs as is required by the policy.

Responsible Party: Community Development Agency – Planning, Community Development Agency – Housing and Community Development

Funding Source: General Fund

Time Frame: Propose policy by 2025.

Program 4.L: Reasonable Accommodations

To facilitate the prompt and efficient resolution of reasonable accommodation requests and approvals, the County will amend Chapter 17.60 (Reasonable Accommodations) to remove or modify the following Zoning Ordinance findings from Sections 17.60.070.D, E, and F to mitigate subjective requirements for allowing reasonable accommodations requests:

- D. Potential impact on surrounding uses.
- E. Whether the requested accommodation would impose an undue hardship on the immediate surrounding neighbors.
- F. Physical attributes of the property and structures, including consistency of design with the immediate surrounding neighborhood.

In addition, in order to remove possible governmental constraints on housing for persons with disabilities, the County will amend Chapter 17.60 (Reasonable Accommodations) to remove all written noticing requirements, the ability for members of the public to request a public hearing in Section 17.60.060, and the ability for members of the public to appeal to the Board of Supervisors in Section 17.60.090. The County will ensure that this program is consistent with [California Code of Regulations Title 2, Section 12179](#) and Article 18 (Disability) of the California Code of Regulations more generally.

Responsible Party: Community Development Agency – Planning

Funding Source: General Fund

Time Frame: Amend Zoning Code by January 2025

Goal 5: Conserve and improve the existing housing stock to enhance quality of life and provide greater housing stability.

Policies

Policy 5.1: Provide Support for Community Improvement

Stimulate neighborhood and community improvement by providing financial and technical assistance in the form of capacity building grants, low interest loans, technical assistance, and code enforcement.

Policy 5.2: Support Programs for Rehabilitating Deteriorated Units

Continue to support programs designed to rehabilitate deteriorated units and encourage the maintenance and minor repair of structurally sound housing units to prevent their deterioration.

Policy 5.3: Enforcement of Housing and Building Codes

Enforce applicable provisions of the housing and building codes.

Policy 5.4: Support Legislation for Funding Housing Rehabilitation Programs

Sponsor and support legislation that would increase funding available to low- and moderate-income housing rehabilitation programs.

Policy 5.5: Neighborhood Preservation Ordinance

Enforce the Neighborhood Preservation Ordinance.

Policy 5.6: Capital Improvement Program

Continue to provide ongoing infrastructure maintenance in existing residential neighborhoods through the capital improvement program (CIP).

Programs

Program 5.A: Minor Home Repair

Continue to provide rehabilitation grants to qualified lower income homeowners. Alameda County provides grants for emergency repairs of plumbing, carpentry, electrical, railings, grab bars, toilets, water heaters, furnaces, doors, locks and more. The applicant must be the owner of record and the combined income of the household must meet program requirements (i.e., lower-income households).

Responsible Party: Community Development Agency – Housing and Community Development, Community Development Agency –Healthy Homes Department, Community Development Agency – Economic and Civic Development

Funding Source: CDBG

Time Frame: Ongoing

Quantified Objective: Assist 4 lower-income homeowners during the planning period

Program 5.B: Renew AC Rehabilitation Loans

Renew AC provides low-income homeowners in Alameda County with one percent interest rate loans of \$15,000 to \$150,000 to complete home improvement projects ranging from correcting health and safety hazards to accessibility upgrades and structural rehabilitation. No monthly payments are required. Renew AC is operated by Habitat for Humanity East Bay/Silicon Valley, on behalf of Alameda County Housing & Community Development Department and funded by Measure A-1. As of October 2024, 92 households county-wide have participated in Renew AC. There is funding for approximately 25 additional household loans county-wide.

Responsible Party: Community Development Agency – Housing and Community Development, by Habitat for Humanity East Bay/Silicon Valley

Funding Source: Measure A-1

Time Frame: Renew AC is currently funded through 2027

Quantified Objective: Target 15% of remaining funds, or approximately loans for 4 households, in low resource areas within the Unincorporated Areas. This is equal to issuing one loan per year

Geographic Targeting: Throughout unincorporated Alameda County

Program 5.C: Code Enforcement

Continue to enforce the Alameda County Municipal Code and other State and federal codes to promote safe housing conditions. The Code Enforcement Division is responsible for enforcement of the Zoning Ordinance, the Neighborhood Preservation Ordinance, the Abandoned Vehicle Abatement Ordinance, the Building Code, the Housing Code, and sections of the Fire Code, as well as land use regulations. Complaints usually derive from an illegal activity on or use of a property, such as operating a business in a residential district or an illegal dwelling unit. Investigations of violations occur on a complaint basis.

Responsible Party: Community Development Agency – Planning, Code Enforcement Division

Funding Source: General Fund and Planning Fees

Time Frame: Ongoing

Program 5.D: Rental Inspection Pilot

Code Enforcement will collect data through a complaint-based rental inspection pilot. Code Enforcement staff will respond to tenant complaints of habitability and substandard conditions in the Unincorporated Alameda County and inspect corresponding housing units. Staff will follow enforcement and abatement procedures from Ordinance 6.65 of the Neighborhood Preservation Ordinance and/or Chapter 15.28 of the Building Code.

Responsible Party: Community Development Agency – Planning, Code Enforcement Division

Funding Source: American Rescue Plan Act Funds

Time Frame: 2023-2025

Quantified Objectives: Submit yearly reports to the Board of Supervisors Transportation and Planning committee regarding efficacy of pilot

Program 5.E: Condominium Conversion

Continue to enforce the Condominium Conversion Guidelines. The County's apartment housing stock represents an important source of affordable housing to lower and moderate-income households. Loss of apartment housing due to conversion to common interest developments (such as condominiums) compromises the County's ability to address rental housing needs.

However, condominiums may also provide affordable housing opportunities. In response to these concerns, in 1979 the County drafted guidelines to regulate the condominium conversion process. The guidelines list specific performance standards that must be met prior to conversion which include requirements for parking, open space, and energy efficiency. The guidelines also establish provisions for protecting the rights of tenants currently residing in units that are approved for conversion. These provisions include specific purchasing rights for tenants, as well as eviction clauses to which the owners must adhere.

Responsible Party: Community Development Agency – Planning, Public Works Agency – Development Services

Funding Source: Planning and Permit Fees, General Fund

Time Frame: Ongoing

Goal 6: Ensure fair housing opportunity for all persons without discrimination in accordance with State and federal law.

Policies

Policy 6.1: Prevent Exclusionary Housing Actions

Prevent exclusionary housing actions that promote fair housing policies.

Policy 6.2: Analysis of Fair Housing Impediments

Continue to develop analysis of impediments to fair housing.

Policy 6.3: Support Fair Housing Organizations

Continue to support organizations that are active in fair housing education and counseling and housing discrimination investigation.

Policy 6.4: Education for Fair Housing Rights

Facilitate the education of residents about their fair housing rights and of the process to make appropriate referrals for fair housing complaints.

Policy 6.5: Community Engagement for Housing Solutions

Encourage participation at the neighborhood level towards housing solutions through seminars, community meetings and dialogue with local officials.

Policy 6.6: Alleviate Homeownership Issues

Continue to support efforts to alleviate individual and community issues associated with foreclosures to preserve homeownership and promote neighborhood stability.

Policy 6.7: Information on Rental Housing Availability

Maintain and update information on area rental housing availability in assessing demand for rentals.

Policy 6.8: Education on Affordable Housing

Provide information and education on the need for affordable housing as a means of changing ingrained attitudes against the provision of housing for low and moderate-income households.

Programs

Program 6.A: Housing Outcomes Analysis

Developing a Housing Outcomes Analysis to direct Alameda County HCD’s policymaking in support of affirmatively further fair housing. This program will support the 2020 County of Alameda Regional Analysis of Impediments to Fair Housing Choice. HUD requires that every five years, grant recipients conduct an analysis of impediments to fair housing choice to assess fair housing issues and develop strategies to address them.

Responsible Party: Community Development Agency (CDA) - Housing and Community Development

Funding Source: Housing and Urban Development, General Fund

Time Frame: Develop Housing Outcomes Analysis consistent with the timing of the analysis of impediments every five years

Program 6.B: Fair Housing Referrals (ECHO Housing)

Continue to refer discrimination complaints to Eden Council for Hope and Opportunity (ECHO) Housing, a Countywide non-profit agency. If mediation fails and enforcement is necessary, tenants may be referred to the State Department of Fair Employment and Housing or HUD, depending on the complaint. Alameda County HCD maintains a dedicated website to refer discrimination complaints to ECHO Housing.

Responsible Party: Community Development Agency (CDA) - Housing and Community Development, Community Development Agency (CDA) – Planning, ECHO Housing

Funding Source: General Fund

Time Frame: Ongoing

Objective: Continue the County’s referral arrangement with ECHO Housing on fair housing issues and discrimination complaints

Geographic Targeting: Throughout unincorporated Alameda County

Program 6.C: Rent Review Program

Continue to require owners of residential rental properties of three or more units or of any rented mobile homes in Unincorporated Alameda County to include specified language on the availability of rent mediation services on rent increase notices to tenants.

Responsible Party: Community Development Agency (CDA) - Housing and Community Development, Community Development Agency (CDA) – Planning, ECHO Housing

Funding Source: General Fund

Time Frame: Ongoing

Program 6.D: HACA Section 8 Housing Program

Refer prospective applicants to the Housing Authority of the County of Alameda for access to Section 8 Housing Choice Voucher and Project-Based Voucher programs, as well as the Family Self-Sufficiency program.

Responsible Party: Community Development Agency (CDA) - Housing and Community Development and Planning, Housing Authority of the County of Alameda

Funding Source: Housing and Urban Development – Section 8

Time Frame: Ongoing

Quantified Objective: Refer 10 households during the planning period

Program 6.E: HIV/AIDS Housing and Services

Continue to provide assistance to low-income persons with HIV/AIDS and their families. Funded services include affordable housing development, tenant-based rental assistance, short-term housing and housing placement. Measure A1 funding served 32 individuals county-wide as of 2020.

Alameda County’s HIV/AIDS housing and service system is supported primarily by two federal programs: the Housing Opportunities for Persons with AIDS (HOPWA) program of the U.S. Department of Housing and Urban Development, and the Ryan White Comprehensive AIDS Resources Emergency (CARE) Act, a program of the Health Resources and Services Administration of the U.S. Department of Health and Human Services. Locally, HOPWA funds are administered by the Housing and Community Development Department of the Alameda County

Community Development Agency, and Ryan White funds are administered by the Office of AIDS Administration in the AC Health, Public Health Department (ACPHD).

Responsible Party: Community Development Agency (CDA) – Housing and Community Development, AC Health, Public Health Department (ACPHD)

Funding Source: Measure A-1, Housing Opportunities for Persons with AIDS, Ryan White Comprehensive AIDS Resources Emergency (CARE) Act

Time Frame: Ongoing

Quantified Objective: Serve 5 persons with HIV/AIDS during the planning period

Program 6.F: Displacement Protection

Provide tenants at risk of eviction or displacement with services through Alameda County Housing Secure, a collaborative of legal service providers partnering to prevent the displacement of community members throughout Alameda County. Bay Area Legal Aid, Centro Legal de la Raza, East Bay Community Law Center, Eviction Defense Center, Legal Assistance for Seniors, and Housing and Economic Rights Advocates provide free legal services to low-income tenants and homeowners disproportionately impacted by the region’s housing affordability crisis and County residents who are vulnerable to displacement to stabilize their housing.

Responsible Party: Community Development Agency (CDA) – Planning, Community Development Agency (CDA) – Housing and Community Development

Funding Source: General Fund

Time Frame: Ongoing

Geographic Targeting: Throughout unincorporated Alameda County

Program 6.G: Fair Housing Services

Continue to support tenants through Alameda County Housing Secure (ACHS) to reduce housing discrimination through fair housing education. ACHS now serves as the primary outreach platform for tenant education and hosts monthly “know your rights” trainings for tenants and coordinates outreach campaigns with local community-based organizations and tenant organizations. ACHS provides outreach, capacity building, training, and legal services (see Program 6.F above).

Responsible Party: Community Development Agency (CDA) – Planning, Community Development Agency (CDA) – Housing and Community Development

Funding Source: General Fund

Time Frame: Ongoing

Geographic Targeting: Throughout unincorporated Alameda County

Program 6.H: Alameda County Housing Portal

Continue to operate the Alameda County Housing Portal to help lower-income households, seniors, persons with developmental disabilities, and other special needs households, such as

households experiencing or at risk of homelessness, find high-quality, affordable housing opportunities located throughout Alameda County. The Alameda County Housing Portal is a County-wide affordable housing rental registry that promotes housing mobility.

Responsible Party: Community Development Agency (CDA) – Housing and Community Development

Funding Source: General Fund

Time Frame: Ongoing

Geographic Targeting: Throughout unincorporated Alameda County

Program 6.I: Mobile Home Rent Stabilization Ordinance

Continue to enforce the Mobile Home Rent Stabilization Ordinance, which limits the annual standard increase in space rent to a maximum of four percent, requires sufficient notice for tenants of all proposed rent increases, and establishes other procedures for rent increases for mobile home park spaces in the unincorporated areas of the County.

Responsible Party: Community Development Agency (CDA) – Housing and Community Development, Community Development Agency (CDA) – Planning

Funding Source: General Fund

Time Frame: Ongoing

Geographic Targeting: All mobile home communities in unincorporated Alameda County

Program 6.J: Inclusionary Housing

Adopt an inclusionary housing ordinance to promote new housing choices and affordability. Inclusionary housing requires provision of affordable housing on-site or off-site, or payment of an affordable housing in-lieu fee, as part of an otherwise market-rate housing development. The County will evaluate establishing inclusionary housing requirements for new multi-family housing development, which would require affordable housing development. The County will also consider alternatives, such as land dedication and/or payment of an in-lieu fee, with the fee adequately calibrated to be equivalent to the cost of constructing an affordable unit.

Responsible Party: Community Development Agency (CDA) – Housing and Community Development, Community Development Agency (CDA) – Planning

Funding Source: General Fund

Time Frame: Mid- to late 2025 in alignment with the Metropolitan Transportation Commission's (MTC) Transit-Oriented Communities (TOC) Policy.

Geographic Targeting: Throughout unincorporated Alameda County

Program 6.K: Translate Housing and Development Applications

The County will translate housing and development applications to Spanish, Cantonese, Tagalog, and other languages as appropriate to create a more inclusive development process for non-English speakers.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: July 2025

Program 6.L: Innovative and Unconventional Housing Types Ordinance

Continue to allow tiny homes and other home types affordable to lower-income households. On September 24, 2019, the Board of Supervisors approved amendments to the County Zoning Ordinance to permit and regulate the development of innovative or unconventional housing types, such as tiny homes, to expand the County’s ability to address the homelessness crisis in the unincorporated area. The zoning ordinance amendments facilitated implementation of a pilot program at First Presbyterian Church in Castro Valley which included the development of six tiny homes to house homeless members of the community on the church site.

To further encourage innovative and unconventional housing, amend the existing ordinance (reflected in 17.52.580) to remove the Conditional Use Permit requirement for innovative and unconventional housing types, clarify the requirement to be near public transit, and to allow innovative and unconventional housing in specific plan areas.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Ongoing implementation. Amend the zoning ordinance by March 2026.

Geographic Targeting: Allow throughout unincorporated Alameda County

Quantified Objective: Permit 4 innovative and unconventional housing projects during the planning period

Program 6.M: Foreclosure Prevention

Provide up to date information about avoiding and dealing with foreclosure. Alameda County HCD hosts resources about preventing foreclosure. In addition, Housing and Economics Rights Advocates (HERA) operates a County-awarded CDBG funded Foreclosure Prevention Program that provides mortgage support to low-income homeowners. The County will refer persons at risk of foreclosure to Alameda County HCD and HERA for support.

Responsible Party: Community Development Agency (CDA) – Housing and Community Development, Community Development Agency (CDA) – Planning

Funding Source: CDBG, General Fund

Time Frame: Ongoing

Program 6.N: Mobile Home Overlay

In the interest of protecting mobile home parks from conversions to other uses, staff will develop and bring a Mobile Home Zoning Overlay and corresponding General Plan amendments to the Board of Supervisors for adoption. This action is anticipated to strengthen anti-displacement protections for mobile home park residents. Additional rental and relocation assistance will also be required from park owners through this action.

Responsible Party: Community Development Agency – Planning

Funding Source: General Fund

Target Geography: Existing and future mobile home parks in the unincorporated communities of Alameda County

Time Frame: Staff will present the Mobile Home Overlay and corresponding General Plan amendments by December 2024

Program 6.O: Renter Protections

CDA Staff will continue to work with the Board of Supervisors, residents, and advocates to adopt rental protections for Unincorporated Alameda County.¹ As of September 17, 2024, the Board of Supervisors have requested that county HCD staff to bring the following forward:

- A Just Cause Eviction ordinance expanding beyond AB 1482 by requiring 2 months of relocation fees for residents receiving a no-fault eviction notice and by applying to single family homes owned by landlords with 5 or more rental homes within the unincorporated areas, among other details.
- A Mandatory Dispute resolution with a 45 day limit to initiate mediation after notice of untenable conditions and a 14 day limit to begin mediation after learning the facts that have given rise to a dispute, among other details

Responsible Party: Community Development Agency – Planning, Community Development Agency – Housing and Community Development, Board of Supervisors

Funding Source: General Fund

Time Frame: Staff anticipate action will be taken by March 2025. **Quantified Objective:** CDA staff will evaluate the effectiveness of adopted protections every 18-24 months and recommend amendments accordingly. Objectives dependent on protections adopted.

Program 6.P: Additional Housing Opportunities Near Transit

¹ For a recent history on rental protections, please see the end of section F.6 in Appendix F.

Amend the zoning ordinance to allow by right up to 10 units per lot in the existing single-family areas within ½ mile of the Bay Fair and Castro Valley BART Stations. The amendment will include a map demarcating the parcels subject to this zoning change, lot sizes, density requirements, and height specifications. The County will propose this ordinance no later than December 2025.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Amend the zoning ordinance by December 2025.

Geographic Targeting: The Bay Fair BART Station and Castro Valley BART Station Transit Oriented Community (TOC) ½ mile areas

Quantified Objective: Permit minimum 10 units per TOC area per year via newly amended single-family zoning during the planning period, for a total of 20 units per year, to increase housing mobility in lower-density neighborhoods. Note: all TOC areas in Unincorporated Alameda County are considered low-resource.

Program 6.Q: Housing Mobility Program

Housing mobility strategies consist of removing barriers to housing in areas of opportunity and strategically enhancing access. To improve housing mobility and promote more housing choices and affordability throughout unincorporated Alameda County, the County will employ a suite of actions and strategies to expand housing opportunities affordable to extremely low, very low, low, and moderate income households. Actions and strategies include:

- Senate Bill 9 (SB 9) – Adopt an ordinance to allow up to four housing units in single-family zones consistent with SB 9 (in the case of a qualifying “urban lot split”), including allowing missing middle housing typologies (i.e. duplex, triplex, fourplexes, cottage courts and townhouses). See Program 1.M.
- Rezoning – Modify zoning to allow residential or increased residential intensity and/or density of residential throughout unincorporated Alameda County. This includes zoning amendments within the San Lorenzo Village Center Specific Plan; the Castro Valley Business District Specific Plan, including preparing the Castro Valley BART Station for future development; and the Bay Fair BART Site; and the, among other sites. See Programs 1.A, 1.B, 1.C, 1.L, and 1.O.
- Housing on County Sites – Enter into a public-private partnership to develop housing, targeting low-income households, on the County-owned Sheriff Substation. See Program 1.D and 1.Q.
- Inclusionary Housing – Adopt an inclusionary housing ordinance to promote new housing choices and affordability and to better produce low-income units and units for special needs groups throughout unincorporated Alameda County. See Program 6.J.
- Accessory Dwelling Units (ADUs) and Junior Accessory Dwelling Units (JADUs) – Encourage and streamline ADUs and JADUs in single-family and other residential districts

by preparing standardized ADU/JADU pre-approved plans with a variety of unit sizes and by affirmatively marketing and outreach to increase awareness and the diversity of individuals residing in Alameda County. Provide additional ADU resources through the ADU Resource Center. Encourage the creation of ADUs as part of multi-family developments. See Programs 1.K, 2.C, and 2.J.

- Education and Outreach – Pursue an educational opportunity for Alameda County residents by offering an annual Homeowners Fair or similar to provide valuable housing information and resources for homeowners in Alameda County such as the programs outlined herein to create much-needed housing in the county. See program 1.K.
- Religious Institutional Sites – Allow housing on all religious institutional sites within the County (including but not limited to St. John Catholic Church, Foothill Baptist Church, Epiphany Lutheran Church, and parcels owned by the Catholic Diocese of Oakland). Conduct outreach to owners and operators of religious institutions to raise awareness and encourage housing proposals. This may include direct mailings to faith-based sites highlighting successful affordable housing units on other faith-based sites, as well as available resources and programs to support such projects (e.g., Program 2.C – Assist in securing funding for affordable housing projects). See Program 1.N.
- Additional Housing Opportunities Near Transit – Allow up to 10 units per lot on single-family sites near existing BART stations. See Program 6.P.
- Tiny Homes – Streamline permitting of tiny homes and other innovative housing types. See Program 6.L.

Responsible Party: Community Development Agency – Planning, Community Development Agency – Housing and Community Development, Board of Supervisors

Funding Source: See the various programs referenced for relevant funding sources.

Time Frame: See the various programs referenced for relevant timeframes.

Quantified Objective: Approve construction of minimum 590 units per year associated with Housing Mobility programs with a target of at least 20% in higher resource areas and concentrated areas of affluence. This reflects the minimum number of units per year .

Goal 7: Minimize the adverse environmental impacts of housing and encourage sustainability measures.

Policies

Policy 7.1: Vehicle Miles Traveled and Greenhouse Gas Emission Policies

Evaluate current policies to ensure consistency and compliance with statewide efforts to reduce vehicle miles traveled and greenhouse gas emissions.

Policy 7.2: Supportive Strategies for Adaptive Reuse

Support innovative strategies for the adaptive reuse of residential, commercial, and industrial buildings to provide for a variety of housing types and residential uses.

Policy 7.3: Develop Programs for Environmental Resources

Continue specific policies and guidelines for development in areas of significant environmental resources and hazards.

Policy 7.4: Development of Infill Housing

Work with cities, community organizations and neighborhood groups to facilitate infill housing development in conjunction with neighborhood revitalization.

Policy 7.5: Review and Revise Development Fees and Assessments

Review and, as appropriate, revise service-related development fees and assessments to encourage development in areas where minimal improvements to infrastructure would be required.

Policy 7.6: Enforce Subdivision Map Act

Enforce requirements of the Subdivision Map Act and "Title 24" of the State Building Code and any other requirements providing for solar access and energy conservation.

Programs

Program 7.A: Healthy Homes Program

Continue to integrate healthy homes messages into education and outreach and to train public healthy home visitors and housing program staff in the principles of a healthy home. Education includes topics such as pests, mold, ventilation issues causing asthma triggers, fire and carbon monoxide detectors, lead paint, and other safety hazards.

Responsible Party: Community Development Agency – Healthy Homes Department

Funding Source: Housing and Urban Development, Environmental Protection Agency, Centers for Disease Control, AC Health, Public Health Department (ACPHD)

Time Frame: Ongoing

Program 7.B: Environmental Review Streamlining

Continue the use of CEQA exemptions (e.g., Class 32 Categorical CEQA exemptions) for housing when appropriate to support housing development, particularly infill/housing near transit, and to streamline the entitlement process. Due to the County’s urban growth boundary, most construction in the County is infill.

Responsible Party: Community Development Agency - Planning

Funding Source: General Fund

Time Frame: Ongoing

Program 7.C: Update the Community Climate Action Plan

Implement the policies of the 2023 Community Climate Action Plan, especially as they relate to housing, the built environment, and transportation, to support the County’s greenhouse reduction goals.

Responsible Party: Various County Agencies.

Funding Source: General Fund

Time Frame: Ongoing

Quantified Objective: Adopt Community Action Plan in 2024

Program 7.D: Environmental Justice Element Implementation

In compliance with SB 1000, the Environmental Justice (EJ) Element identifies policies and objectives that prioritize improvements and programs to address the needs of disadvantaged communities in six required topic areas: pollution and air quality, access to public facilities, access to healthy food, access to safe and sanitary homes, health and physical activity, and civic engagement in the public decision-making process. The EJ Element was adopted in August 2024. Implementation is critical to improving the quality of life of current and future residents in the urban Unincorporated Areas of Alameda County.¹ There are over 150 different actions in the Environmental Justice Element. They include: adopting a ‘Green Zone’ to reduce environmental hazards, adopting and implementing an Urban Greening Master Plan, adopting and implementing an Air Pollution Exposure Zone Ordinance in coordination with BAAQMD, expanding open hours at libraries and recreational facilities, expanding medical care access through additional facilities, increasing MAC engagement in the CIP process, and implementing the Healthy Retail Program to increase access to healthy food in corner stores.

Responsible Party: Community Development Agency – Planning, with interagency collaboration via the Environmental Justice Element Technical Advisory Committee (EJ TAC). *Note that other departments and agencies will be responsible for implementing their own specific programs within the EJ Element, as identified in Implementation Appendix A.*

Funding Source: General Fund, various grants depending on action being implemented. *Note that the Planning general fund may fund planning-specific EJ implementation activities, but other agencies/departments would need to determine how to fund implementation activities for which they are leads.*

¹ The EJ Element can be read about here: <https://www.acgov.org/cda/planning/generalplans/Env-Justice-of-General-Plan.htm>

Target Geography: Ashland, Cherryland, Hayward Acres, Castro Valley, and San Lorenzo (the Priority Communities).

Time Frame:

- Summer 2024: convene interagency EJ TAC (Fulfilling Action EJ1.4A)
- Late 2024: determine and commit to appropriate means of engaging with residents throughout the implementation process (partially fulfilling Action EJ1.4B)
- Fall 2024: translate final, adopted EJ Element into Spanish and develop a summary to be translated into other commonly-spoken languages (fulfilling Action EJ1.4C)
- Summer 2025: EJ TAC will select first catalyzing action to begin implementation on. Possible topics of focus include creating an urban greening master plan.
- 2025: Provide first annual report to the Board Unincorporated Services Committee and the Planning Commission regarding the progress of EJ Element implementation (partially fulfilling Action EJ1.4B)

Quantified Objective: Dependent on the actions and goals being implemented, the relevant agencies/departments participating in the EJ TAC will annually apply for funding. Agencies/departments of the TAC will successfully implement 2 actions per year related to place-based improvements.

Program 7.E: Park Permitting

The unincorporated communities are served by the Hayward Area Recreation and Park District, the East Bay Regional Parks District, and the Livermore Area Recreation and Park District. Community members consistently state the need for more greenspace and parks, particularly as neighborhoods grow denser. To better support parks districts' work, the County will amend the zoning ordinance to remove the Discretionary Review process for construction of park facilities.

Responsible Party: Community Development Agency (CDA) - Planning

Funding Source: General Fund

Time Frame: Bring amendments to Board of Supervisors by December 2025.

Geographic Targeting: park facilities throughout the Unincorporated Area

Program 7.F: Place Based Improvements: Capital Improvement Plan

The Alameda County Capital Improvement Plan for financial years 2024-2025 to 2028-2029 commits County resources to the following place-based improvements throughout the planning period targeted in areas designated as 'low resource' via TCAC data. These improvements will positively impact access to various schools, religious centers, and other community resources for Alameda County residents.

Community	Anticipated CIP Project
Castro Valley (southern)	Sidewalk and drainage improvements along A Street/Redwood Road from Knox Street to the Hayward City Limit (PWA)
	Sidewalk improvements along Seven Hills Road from Lake Chabot Road to Redwood Road (PWA)
	Sidewalk improvements along Somerset Avenue from President Drive to Lake Chabot Road (PWA)
	Sidewalk and median improvements, landscaping, bicycle lanes, street lighting, communications conduit, and traffic signal improvements along western Castro Valley Boulevard (San Miguel to Stanton Avenue) (PWA)
	Evaluate installation of corridor improvements along Center Street between Heyer Avenue and Grove Way that enhance pedestrian and bicycle accessibility (PWA)
	Install landscaped median island/pedestrian refuge areas along Grove Way to improve pedestrian crossings between Redwood Road and Center Street (PWA)
Ashland	Sidewalk, landscaping, bicycle, and street lighting improvements along East Lewelling Boulevard from Meekland Avenue to Langton Way (PWA)
	fill sidewalk gaps along Liberty Street from 164th Avenue to Fairmont Drive
	Construct sidewalk, drainage, and roadway improvements along Maubert Avenue from 159th Avenue to Tanager Avenue (PWA)
Cherryland	Sidewalk and drainage improvements on Grove Way from Western Boulevard to Mission Boulevard (PWA)
	Sidewalk and drainage on Haviland Avenue from Blossom Way to Medford Ave (PWA)
	Sidewalk, landscape, drainage, and bridge replacement on Meekland Avenue from Blossom Way to East Lewelling Boulevard (PWA)
	Sidewalk, median, landscaping, bicycle lanes, traffic signal, and street lighting improvements along Mission Boulevard from I-238 to the Hayward City (PWA)
San Lorenzo	Construct roadway, intersection, and streetscape improvements along Grant Ave from Washington Ave to Channel St to improve pedestrian safety (PWA)
	Continued restoration of the Lorenzo theatre, a historic landmark (CDA)
	Construction of community kitchen (Maggie’s Place) (CDA)
	Sidewalk improvements along Bockman Road from Via Arriba to Bohannon Middle School (PWA)
Hayward Acres	Sidewalk improvements on Bartlett Avenue from Hesperian Boulevard to Garden Avenue (PWA)
	Sidewalk improvements and pavement rehab on West Sunset Boulevard from Hesperian Boulevard to Royal Avenue (PWA)

Additionally, the County will annually apply for funding for a wide variety of place-based strategies including but not limited to infrastructure, street improvements, streetscapes, active transportation, safe routes to school, and community facilities. Alameda County will also support the work of the Hayward Area Recreation and Parks District in the application for funds for and implementation of new parks, community facilities, amenities and community programs.

Responsible Party: Public Works Agency (PWA); Community Development Agency (CDA); General Services Agency (GSA); County Administrators Office (CAO)

Funding Source: Various Tier 1 funding, Federal and State funding, County Road Fund, and Grants

Time Frame: Anticipated completion by 2030

Geographic Targeting: Unincorporated Communities

Quantified Objective: Minimum 3 improvements per year in the Eden Area (Ashland, Cherryland, San Lorenzo, Hayward Acres) and southern Castro Valley

IV.B Quantified Objectives

Table IV-2 presents the County’s quantified objectives for construction, preservation, and rehabilitation for the 2023 – 2031 planning period that will be achieved through the policies and programs described above.

Table IV-2: Quantified Objectives

Program Type/Affordability	Extremely Low	Very Low	Low	Moderate	Above Moderate	Total
New Construction	625 ¹	626	721	763	1,976	4,711
Rehabilitation	6	6	6	0	0	18
Conservation/Preservation	0	128	0	0	0	128
Total	631	760	727	763	1,976	4,857

¹ The County estimates 50% of the very low households would qualify as extremely low income.

IV.C Affirmatively Furthering Fair Housing Action Matrix

The following table summarizes the County’s implementation actions to further fair housing. Individual housing programs may have different impacts on furthering housing choices. Fair housing actions are grouped into the five themes:

- Fair housing outreach and enforcement
- Housing mobility through expanded choices in housing types and locations
- New opportunities in high resource areas
- Place-based strategies for neighborhood improvements
- Tenant protection and anti-displacement

	Plan amendments to the Board of Supervisors for adoption.	General Plan amendments by December 2024	unincorporated communities of Alameda County	Plan amendments by December 2024
<i>Program 6.O: Renter Protections</i>	Extending the measures found in AB 1482 to include single family and manufactured housing, extending the measures found in AB 1482 to include tenants of less than 1 year, creating a mandatory landlord-tenant mediation process, creating a proactive rental inspection program, and establishing a rental registry are under discussion at the time of writing. The Board of Supervisors will adopt and implement a suite of rental protections that may include, and will not be limited to, the above list and direct staff to evaluate the programs regularly.	At the time of writing, it is anticipated that the Board of Supervisors will act by the end of 2024.	Throughout Unincorporated Alameda County	CDA staff will evaluate the effectiveness of adopted protections every 2 years and recommend amendments accordingly. Evaluations will consider the following objectives: decreasing the annual eviction rate by 5 per year; hosting 5 successful landlord-tenant mediations per year; and/or registering 90% of rental units within 4 years of program beginning. Objectives dependent on protections adopted.
