NOTICE OF VIRTUAL PUBLIC MEETING
POSTPONED

Will hold an Informational Public Meeting on:

PLN2021-00202 / COMMUNITY HOUSING DEVELOPMENT CORPORATION, SB 35 MINISTERIAL REVIEW, application to allow construction of a four-story, 40-foot tall (to top of parapet), 42 affordable housing studio units plus one, 2-bedroom manager’s dwelling unit, a community room and associated office, and 32 on-site parking spaces, located on a property that also contains an existing church (church to remain), at 2889 Kelly Street, Fairview area of unincorporated Alameda County, and in the *Fairview Area Specific Plan*, “R-1” Single-Family Residence zoning district, and in the *Fairview Land Use Map*, land use designation of “Low Density Residential”, with County Assessor’s Parcel Number (APN): 416-0180-020-00. Because the State Statute mandates that the project review process is ministerial and that projects are judged purely on objective standards that do not involve the exercise of discretion, the California Environmental Quality Act does not apply to the Senate Bill 35 (SB 35) process: Title 14 of the California Code of Regulations, Section 15268(a): “Ministerial projects are exempt from the requirements of CEQA”.

**PLEASE NOTE THAT THIS IS AN INFORMATIONAL ITEM ONLY.
NO DECISIONS WILL BE MADE AT THE MEETING.**

UNTIL

The meeting is for design review and public oversight on objective and focused design standards criteria required for this project, as published and adopted by ordinance or resolution by the County before submission of a development application, and that are broadly applicable to development within the County. The design review and public oversight shall not in any way inhibit, chill, or preclude the ministerial approval provided by Section 65913.4.

If you challenge the proposed application in court, you may be limited to arguing only those issues you or someone else raised at the virtual meeting. You may not introduce new evidence, or introduce evidence that was not presented at the meeting.
